In this fourth installment of his acclaimed Rants series, bestselling author, Emmy Award-winning talk-show host, and wisecracking analyst for ABC's Monday Night Football Dennis Miller makes hamburger meat out of society's most sacred cows as only he can, with the kinds of allusions that require high SAT scores -- or at least a smart crib sheet.

This time around, Miller takes on child stars with rap sheets, women with bigger muscles than his own, herbs you don't smoke, God, and football. As always, nothing is out-of-bounds.
