As Robert Louis Stevenson expressed it: “For my part, I travel not to go anywhere, but to go. I travel for travel’s sake. The great affair is to move...”

We took this sentiment to heart and have never regretted it.

Many trips and 17 cruises later, including a world cruise, we also certainly agree with Jawaharlal Nehru: “We live in a wonderful world that is full of beauty, charm and adventure. There is no end to the adventures we can have if only we seek them with our eyes open.”

Happy travelling.
