It's not chemistry between Tinka Foster and Sam Anderson that made them agree to fake date. With her parents trying to set her up with an annoying pro-track golf student, and intentionally single Sam's family pressuring him to bring a date to his brother's wedding, they could both use a drama-free summer.

So it's not his muscular arms and quick wit that makes Tinka suggest they tell everyone they're both taken. Definitely not. And it's not butterflies that makes a kiss for appearances during the lake party go on way too long—so long that Sam wishes it were real.

But Tinka keeps people at arm's length—she's always been second best, even to her parents. And her relationship-for-show could crush everything when she realizes she's done with fake, pretend, and second-best.

Disclaimer: This Entangled Teen Crush book contains bikinis at the lake, a lot of making out in dark theaters, and a meet-cute you'll read twice.
