During his illustrious career, Benaud captained the Australian cricket team from 1958 to 1964, leading them to victory in numerous memorable series. He was known for his exceptional leg-spin bowling and aggressive batting style. Benaud had a remarkable track record, taking 248 wickets in 63 Tests and scoring 2,201 runs. His contributions to the sport earned him a place in the International Cricket Council Hall of Fame in 2009.

Legacy of Sir Richie Benaud

Beyond his extraordinary achievements on the cricket field, Benaud's legacy extends to his influential role in the commentary box. After retiring from international cricket in 1964, he embarked on a new journey as a commentator, captivating audiences around the world with his knowledgeable and witty insights.

Amber Duell, a highly acclaimed cricket writer and historian, has extensively chronicled the impact and significance of Sir Richie Benaud's contributions to the game. She remarks, "Benaud's distinct voice and unparalleled understanding of the sport elevated cricket commentary to new heights. His eloquence and in-depth analysis set the standard for future generations of commentators."

Richie Benaud, who died this year aged 84, was “perhaps the most influential cricketer and cricket personality since the Second World War” according to Gideon Haigh, the world's best cricket historian. He excelled as a batsman, legspin bowler, revolutionary captain – and most of all as a commentator in England and Australia for almost 50 years. He was universally loved for his authority, knowledge, dry wit and generosity of spirit.

Benaud in Wisden records the highlights of an exceptional career both as a player and a journalist. There are edited reports on each of his 63 Test matches, including the legendary Tied Test of 1960-61 and the match at Old Trafford in 1961 when Benaud memorably stole the Ashes from England. “If one player, more than any other, has deserved the goodwill of cricket for lifting the game out of the doldrums, that man is Richard Benaud,” said Wisden in 1962.

The book also includes a series of articles written by Benaud in the Wisden Almanack after his retirement, as well as features from Wisden Cricket Monthly, The Wisden Cricketer and Wisden Asia Cricket. Benaud's impact was so great, and so enduring, that the book will appeal to teenagers, nonagenarians and everybody in between. It is the definitive record of a unique career.
