In the tradition of *Go Ask Alice* and *Lucy in the Sky*, this heart-wrenching story chronicles a girl's fatal experience with testing her moral limits and the dangers of addiction.

Bailey welcomes a fresh start at the prestigious boarding school, Prescott Academy, far away from the painful memories of her mother's death and the unendurable happiness of her father and his new wife. She expects rigorous coursework and long hours of studying—what she doesn't expect is to be inducted into the Science Club, a group of wealthy and intelligent students who run a business cooking up drugs in their spare time.

Suddenly, Bailey has everything she's ever wanted, including a sweet and handsome boyfriend named Warren, the brainy lead chemist in the Club. But as she wades deeper into the murky waters of their business, Bailey finds herself struggling to reconcile her new lifestyle with moral dilemmas she just can't ignore.

Can she have it all without breaking?
