Thirteen and crippled, Eli Rawlins lives in the Indian War years of 1881 Colorado, the unsettled times between the Battle Of Little Big Horn and Wounded Knee. His father scorns him because he cannot carry his weight in labor on their meager cattle ranch. He is also the target of vicious neighborhood boys who relentlessly

target him. After a stretch of humiliating incidents which only furthers to prove he is less than his cruel peers, he contemplates suicide, but decides to wait just one more day to see if his luck changes.

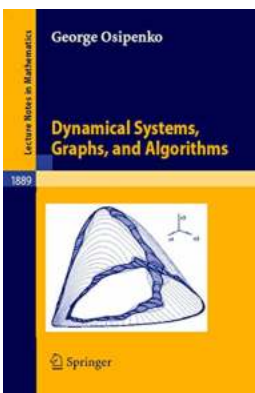

When a hunt for a legendary, man-eating grizzly fails, Fate leads Eli to meet an old trapper. He tells Eli that he is spiritually chosen and soon to meet his destiny: hunting down a living Sioux spirit which dwells on a dangerous peak in a hidden valley which may not even exist.

Try or die, Eli steals his father's prized racehorse to embark on this perilous odyssey even though he knows next to nothing of tracking, hunting, riding or surviving in the untamed Rocky Mountains. During his impossible journey, Eli encounters more adventure than he'd ever dreamed and learns that independence comes with a high price.
