For those who are unfamiliar, The Ashes is a test cricket series played between England and Australia. The rivalry between these two cricketing giants dates back to 1882 when England lost a match to Australia on home soil for the first time, sparking a controversial headline stating that English cricket had died and "the body will be cremated, and the ashes taken to Australia." And thus, The Ashes was born.

Fast forward to 2019, this year's Ashes promises to be an exhilarating battle between bat and ball, with some of the world's best cricketers showcasing their skills on the grandest stage of all.

But what makes this year's Ashes even more special is the presence of talented cartoonists and caricaturists, who bring the matches to life through their artistic talents. Their ability to capture the essence of the game, the spirit of the players, and the emotions of the spectators in a single frame is truly remarkable.

In this collection of cartoons caricatures, we present to you the leading edge of The Ashes 2019. Each image tells a unique story, captures a crucial moment, or satirizes a key player or incident - all in good humor, of course.

One such cartoon caricature in this collection features the ferocious pace bowler from Australia, Mitchell Starc, who is known for his deadly yorkers and blistering pace. The artist beautifully portrays Starc in action, with an intense expression on his face and the ball hurtling towards the startled batsman. It's a visual representation of the fear that Starc strikes into the hearts of his opponents.

Another cartoon caricature highlights the English all-rounder Ben Stokes, whose heroic innings in the World Cup final earlier this year is still fresh in our memories. The artist captures Stokes' never-say-die attitude, with a determined look on his face as he wields both, bat and ball, ready to take on any challenge that comes his way.

And let's not forget the iconic cricketing personality - Australian off-spinner Nathan Lyon. Known for his skillful spin and ability to take crucial wickets, Lyon is depicted in a cartoon caricature that showcases his wily nature, much like a cunning fox outsmarting its prey.
