- Chapter-wise explanation and analysis of previous years' questions to provide a deeper understanding of the exam trends.
- Expert tips and tricks to help you master time management, problem-solving skills, and overall exam strategy.
- Comprehensive coverage of general studies, including current affairs, history, geography, economy, polity, and more.
- Thoroughly updated sections on optional subjects, essay writing, and interview preparation.
- Practice sets and solved question papers for self-assessment and real-time exam experience.

## **Why Choose the Second Edition**

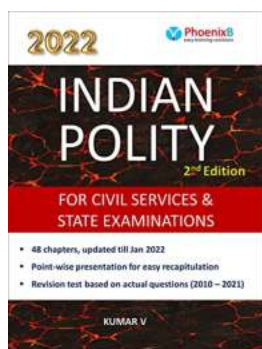

This second edition stands out as the go-to resource for civil services and state examinations due to its commitment towards providing the most relevant and accurate information. It ensures that you are well-prepared and equipped to tackle the challenges that lie ahead.

## **The Roadmap to Success**

To excel in the civil services and state examinations, a systematic approach and disciplined study plan are essential. This book not only serves as a comprehensive study material but also acts as a roadmap to success. It instills discipline, boosts confidence, and improves your overall knowledge to help you clear the exams with flying colors.

The "For Civil Services And State Examinations 2nd Edition 2022" is your ultimate guide on the journey towards achieving your dream career in the civil services. With its extensive coverage, updated content, and expert insights, this book will undoubtedly become your key to cracking the exams and securing a bright future in public service.

So, gear up and get your hands on the second edition now. Don't miss out on this opportunity to arm yourself with the knowledge and confidence needed to succeed in the civil services and state examinations in 2022!

## INDIAN POLITY: FOR CIVIL SERVICES AND STATE EXAMINATIONS, 2nd EDITION (2022)

by Mohammad Usmani (Kindle Edition)

★★★★☆ 4.1 out of 5

Language : English  
File size : 1090 KB  
Text-to-Speech : Enabled  
Screen Reader : Supported  
Enhanced typesetting : Enabled  
Print length : 326 pages  
Lending : Enabled

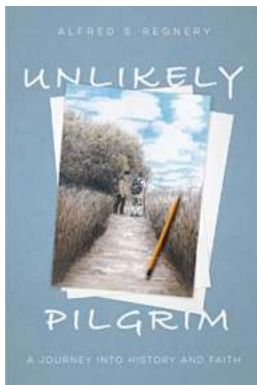

- Written in a unique style, mostly in points, for easy understanding and retention
- Data, wherever available, updated up to January 2022
- Diagnostic test for self-analysis at the beginning
- 48 chapters with most data collated from government sources for authenticity

- Comprehensive coverage of important topics based on the last eleven years' trends
- Revision test based on actual questions (2010 – 2021) at the end

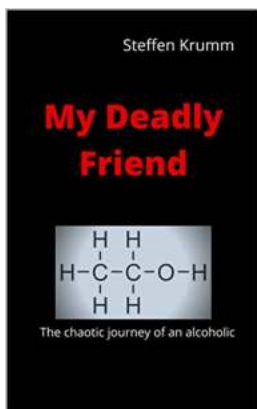

The main objectives of this book are:

- to provide a relevant text backed with data, that can be understood and retained even with one round of casual reading for the GS Prelims.
- to build a common minimum base for a detailed study for the GS Mains.
