The heroes of the battle for Carthage return!

Alex has discovered new abilities tied to his Implanted Neural Controller, but the galaxy is growing more dangerous by the day, and Ace always seems to find himself in the center of it.

As Cronus team heads to Arcadia for a well-earned victory lap and some much-needed rest, secret forces are at work to destabilize the galaxy. No one is safe—especially people like Ace Evans, whose integrity and morals make him a target. But as the dangers grow, so does the need for the valiant warriors in their mechanized battle armor. The action is just heating up, and nothing can stop the clash of forces that are charging toward one another at breakneck speed.

Part military adventure, part space opera mystery, Cronus Team is the pivotal third book in the best-selling Ace Evans series. With characters you can't help but fall in love with, a sweeping intergalactic plot, and plenty of action, Cronus Team is a fantastic book by master storyteller Toby Neighbors in the tradition of Starship Troopers, The Expanse, Old Man's War, and Star Wars.
