Washington State Magazine covers news and issues of interest to Washington State University faculty, staff, students, and alumni, and the people of Washington from Seattle to St. John.

In the Spring 2010 issue:

Features

Of Time and Wildness in the North Cascades :: Bob Mierendorf has spent the last couple of decades trying to convince the archaeological establishment that pre-contact Northwest Indians did not confine themselves to the lowlands, but frequented the high country. Now he has an ancient camping site to make his point. by Tim Steury

Desperately Seeking Sherman :: Although his work is increasingly ubiquitous, the writer Sherman Alexie '94 is a little harder to pin down. Our correspondent is undaunted. by Hannelore Sudermann

Vancouver Lake: A Search for Solutions Great and Small :: This is the second time WSU scientists have worked on a plan to clean up Vancouver Lake. The first, in the 1960s, was monumental. This time it's microscopic. by Hannelore Sudermann

Essay

Language, Money, and Loss :: Sometimes loss can be an occasion for newly discovered vitality. Where better than the university to challenge ourselves to avoid linguistic lemminghood? by Will Hamlin

Short Subject

The Secret Death of Bees :: WSU lab probes mysterious decline in honey bee population. by Eric Sorensen

Panoramas - Short articles on WSU research, campus life, and alumni

:: Leave it to beavers
