“Wanted: six guys with guts!”

An obscure advertisement in a surf magazine triggers a journey through Sumatra’s jungles, volcanoes and chaotic roads to the fabled Mentawai Islands and a traditional Indonesian sailing ship, the Island Explorer.

As the Explorer drifts deeper into the wilds, its occupants gradually lose their connection with the “real world” and start existing in their own dreamland.

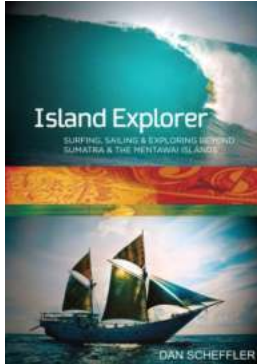

But the future becomes uncertain when the captain jumps ship and the stand-in skipper slowly becomes unhinged in the tropical heat.

Join the quest to find pristine islands, untouched coral beaches and flawless surf. Sail through equatorial Indonesia’s sparkling seas with a group of surfers searching for that elusive, ideal wave.
