Working with your rival can't be that difficult...

Tori Lopez should thrive in Labella Arts, but instead, she's dreading the first day back. Dave Olivera might play some part in that. To make things worse, she hasn't been able to paint in weeks, which might make getting a spot in Ms. Griffin's summer internship program impossible. Except, then Ms. Griffin asks Tori to work on portraits of some of Labella's newest students for the winter showcase. It would be fine if Tori didn't end up getting a wrist injury and having to accept Dave's help on the portraits.
