

# Discover the Sunny Delights of Seashores and Lakeshores With Our August Sunshine Guide

August is the perfect time to bask in the sun and make the most of the beautiful beaches and lakeshores around the world. Whether you prefer the crashing waves of the seashore or the tranquil waters of a lakeshore, our Sunshine Guide has got you covered. In this comprehensive guide, we will take you on a virtual tour of some of the most breathtaking locations to enjoy in August.

## Seashores

### 1. Bora Bora - The Pristine Paradise

Nestled in the heart of the South Pacific, Bora Bora is a haven for sun worshippers and water enthusiasts. With its crystal-clear turquoise waters, vibrant coral reefs, and luxurious overwater bungalows, this seashore destination is the epitome of tropical paradise. Imagine walking along the soft sandy beaches, feeling the warm sun on your skin, and taking a dip in the inviting lagoon. Bora Bora is truly a slice of heaven on Earth.

## 2. Maldives - A Serene Hideaway

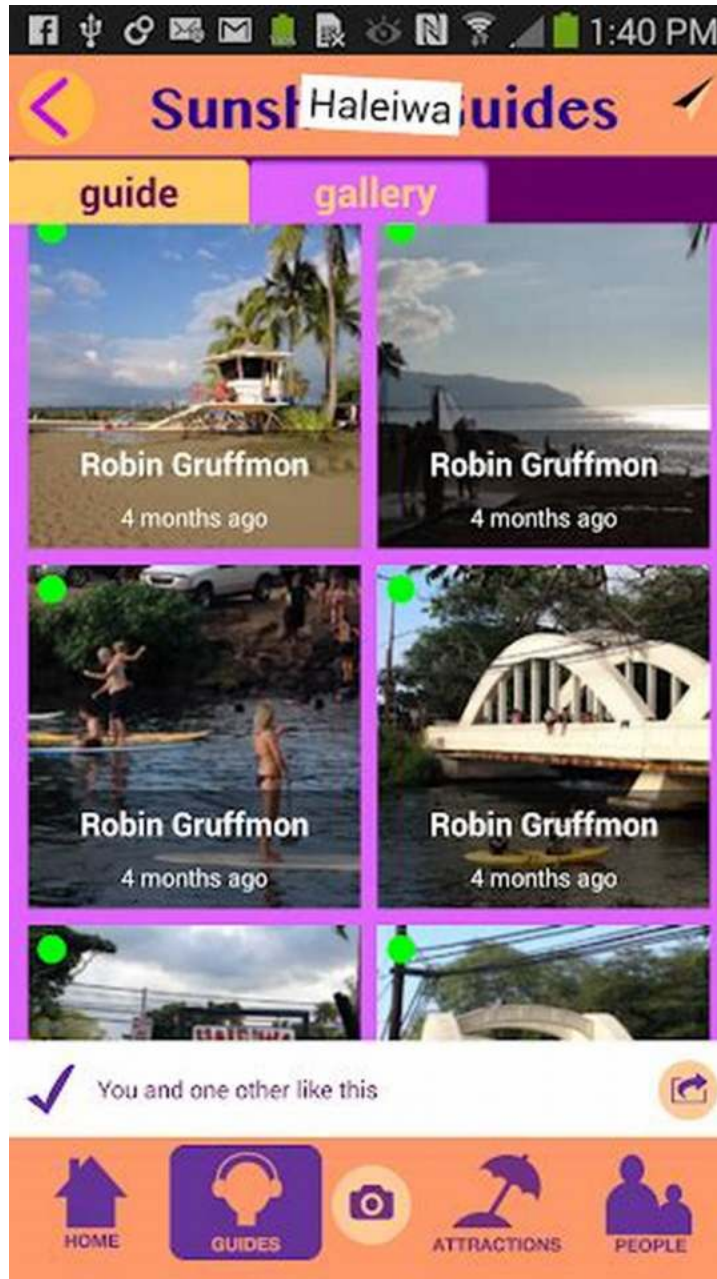

Escape to the Maldives in August and experience ultimate relaxation. This Indian Ocean gem boasts white sandy beaches, luxurious resorts, and breathtaking

underwater wonders. Discover the colorful marine life as you snorkel or scuba dive in the crystal-clear waters, or simply unwind on the pristine beaches with a refreshing cocktail in hand. The Maldives offers seashore serenity like no other place on Earth.

### 3. Cape Town - Where Beauty Meets Adventure

Cape Town in August offers a unique blend of beauty and adventure. From the iconic Table Mountain to the vibrant beaches along the Atlantic coast, this South African gem has something for everyone. Take a stroll along the popular Camps Bay beach, known for its stunning sunsets, or explore the dramatic cliffs and hidden coves of the Cape Peninsula. Cape Town is a seashore destination that never fails to impress.

**Lakeshores**

## 1. Lake Tahoe - A Natural Marvel

Located in the Sierra Nevada Mountains, Lake Tahoe is a true gem for nature lovers. With its crystal-clear waters surrounded by majestic mountains, this lakeshore destination offers an unparalleled experience. Take a boat ride to Emerald Bay, hike along the lakeside trails, or simply relax on the sandy beaches. Lake Tahoe is a haven for outdoor enthusiasts, providing endless opportunities for adventure and relaxation.

## 2. Plitvice Lakes National Park - Nature's Wonderland

Step into a fairytale setting at Plitvice Lakes National Park in Croatia. This UNESCO World Heritage Site is renowned for its cascading waterfalls, turquoise lakes, and lush greenery. Exploring the wooden pathways that wind through the park, you'll marvel at the pristine lakeshores and the vibrant flora and fauna that call this place home. Plitvice Lakes National Park is a lakeshore destination that will leave you in awe of nature's beauty.

## 3. Lake Como - A Slice of Italian Charm

When it comes to lakeshores, Lake Como steals the show with its exquisite beauty. Surrounded by luxurious villas and mesmerizing landscapes, this Italian paradise has been a favorite retreat for centuries. Take a boat tour to discover charming lakeside towns, enjoy water sports, or simply bask in the sun on one of

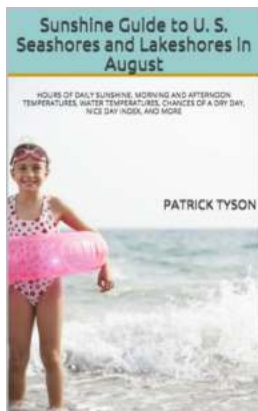

the many picturesque beaches. Lake Como offers a perfect blend of natural splendor and Italian elegance.

## Plan Your Dream Getaway

Now that you have discovered some of the most captivating seashores and lakeshores in our August Sunshine Guide, it's time to plan your dream getaway. Whether you choose the serenity of a seashore or the tranquility of a lakeshore,

these destinations promise moments of relaxation, adventure, and unforgettable memories. So pack your swimsuit, sunblock, and a sense of wanderlust, and get ready to immerse yourself in the beauty of the great outdoors.

## Sunshine Guide to U. S. Seashores and Lakeshores in August (Sunshine Guides Book 1)

by Sharon Marshall Lockett (Kindle Edition)

★★★★☆ 4.5 out of 5

Language	: English
File size	: 674 KB

This Volume describes the most likely weather that you will experience in August at each of more than 125 U. S. seashore and lakeshore destinations. Inland U. S. destinations and destinations in the rest of the world are covered in companion volumes, available from Amazon.

The purpose of this information is twofold: Firstly, to inform you of what you can expect in the way of August weather if you have already decided on where to go. Secondly, to allow you to compare the weather at one destination with the weather at other destinations so as to pick the weather that is best for what you have in mind.

For each destination, you will be given information on where it is, what the general landscape in the area is like, and how high the destination is above sea

level.

You will be given a brief description of the area's general climate, with emphasis on those aspects of the climate that are important to the recreational traveler.

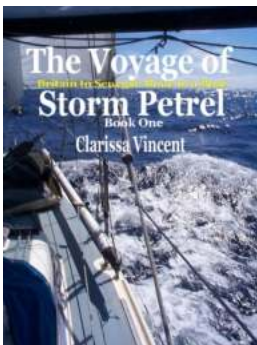

You will know how long the days are and how many hours of sunshine you can expect each day. You will know how much blue sky you can expect.

You will know how cool the mornings are and how hot and humid the afternoons can be. You will know how many "sweaty" days to expect each month. For those of you who are into water sports, you will know what to expect in the way of water temperatures if that destination has anything at all to offer along those lines.

You will know how many really dry days to expect and how many reasonably dry days your vacation will be blessed with.

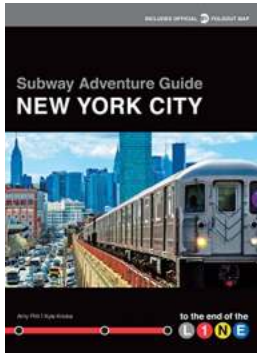

To guard against weather hazards, you will know what to expect in the way of days with thunderstorms and of days with heavy fog.

Finally, you will be given a Nice Day Index for the month. The higher this number is, the more likely you are to get truly enjoyable weather in your chosen month at your chosen destination
