The Legend

Deep within the mystical land of Eldoria lies the Dragon Gauntlet, an artifact with immense power. According to ancient legends, whoever possesses this gauntlet gains control over the mighty dragons and becomes the guardian of the realm. However, acquiring this power is no easy feat.

The Gauntlet Trials were designed by the Eldorian Council to test the worthiness of those who seek the Dragon Gauntlet. Only the bravest and most skilled warriors can hope to survive the Trials and prove themselves as potential wielders of the gauntlet. It is said that the journey to the Dragon Gauntlet is as treacherous as the final battle itself.
