My name is Wanda Lea and I have been working with Ken for quite a while now. I am a self-defense and martial art instructor with a special emphasis on helping women kick butt. I am 5'6 1/2" and about 230 and while the women in this book aren't as big as me, they are lethal and beautiful.

Siera and Shay are in their 20's and they each face P.J. who was quite overmatched. This 44 year old man got destroyed by Siera and after a 2-hour rest

he would be up against Shay. These women show P.J. that he's a very helpless and pathetic old man. If you like women with gorgeous bulging thigh muscles then you'll adore these two ladies.

Yvonne and Jessie then have one-on-one matches with Damon. Yvonne is a very physical, almost brutal lady. She takes great delight in making the younger Damon begging for mercy. Yvonne definitely has a healthy mean-streak. Jessie is a terrific martial artist and knows how to apply the most amazing scissor-locks. She has thick, gorgeous thighs and a woman-next-door look to her.

Geena is a thick, powerful woman and her males adversary is handled in very rough, brutal fashion. This lady has the most amazing set of hips you'll ever see. She has the strength, training and mean-streak to completely deflate a man's ego. Her opponent, Isaac, was supposed to wrestle twice, but he was simply too beaten up to have another match.

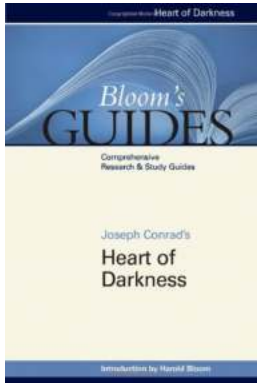

Sally has a fairly religious husband who is also small and thin. The short, power-packed Sally shows her husband the reality of life. This highly-motivated female took her man down and didn't let him up until he begged for mercy. These two are the same weight, he's taller and she is clearly stronger and superior...and beautiful!
