The Origins of Immortal Buffy

Immortal Buffy is not a mere fan theory, but a concept that has gained traction among hardcore Buffy fans. The idea stemmed from the show's season 5 finale, "The Gift," where Buffy sacrifices herself to save the world. As she plunges into a vortex, her life force is transferred to another Slayer, Kendra, who is then called upon to continue fighting evil. This event sparked a fascinating fan theory - what if

the Slayer essence couldn't be destroyed and simply found new hosts throughout the ages?
