I wanted to see the heart and soul of Hawaii in a one year adventure. I explored six of the islands including some small islands off Maui and, in this book, provide the reader with some history, humor, good stories, and a little philosophizing about the trip.

Whenever people think about taking a vacation with their family, friends, or by

themselves, Hawaii always come to mind. Why wouldn't it? Hawaii has some of the most beautiful beaches, exciting activities and wonderful food that a person can experience.

Hawaii is truly a wonder filled series of islands that leaves a strong impression in the mind that can't be duplicated anywhere else. While it is a land of raw beauty, it's the people of the land that is its true treasure. As you will see in this book, my impressions of Hawaii are good ones.

The Hawaiian Islands is a land rich with cultural treasures, natural landscapes, and exhilarating adventures. With its dramatic terrain ranging from picturesque turquoise waters and white-sand beaches to rugged mountain ranges, it's a region that leaves a long-lasting impression on those who journey through it.

Hawaii has a warm and colorful culture, a spirit and manner unique to itself due to its isolated geography.
