Step inside, and you will instantly find yourself transported back in time to an era when the world was about to be cleansed by a great flood. The intricately designed exhibits and interactive displays within the ark will immerse you in the story like never before. Witness the animals, the living quarters, and the awe-inspiring details that went into building this enormous vessel.

Uncover Noah's World

As you walk through the ark, you will get a glimpse into Noah's world. Experience the sounds and smells of the animal habitats, and marvel at the craftsmanship involved in creating a living space for them. From the smallest insects to the largest mammals, every creature is represented here, reminding us of the incredible variety of life that exists on our planet.

Learn about the challenges Noah faced as he prepared for the flood, from gathering food and supplies to ensuring the ark's structural integrity. Discover how he managed to fit so many species of animals, along with provisions for an entire year, aboard this massive vessel.

Engaging Exhibits and Interactive Learning

The Ark Encounter offers much more than just a static display. With state-of-the-art exhibits and interactive learning opportunities, visitors of all ages can actively engage with the story of Noah and the flood. Touchscreen displays, virtual reality experiences, and educational games provide a hands-on approach to understanding the historical significance of this event.

Discover the archaeological evidence supporting the existence of Noah's Ark and the Great Flood. Explore how this cataclysmic event impacted the Earth's geology and shaped the world as we know it today. Through engaging visuals and informative narratives, you will gain a deeper understanding of the historical and scientific aspects of the story.

Additional Attractions

While the main highlight of the Ark Encounter is, undoubtedly, the awe-inspiring Noah's Ark, there are plenty of other attractions to explore on the premises. Take a stroll through the Ararat Ridge Zoo and encounter various animal species up close. Enjoy a serene boat ride on Ararat Ridge lake, or visit the gift shop to take home a piece of this remarkable experience.

The grounds also feature several dining options, ensuring that you can enjoy a delicious meal while being surrounded by the beauty of nature. Whether you crave a quick snack or a full-course meal, there is something to satisfy every appetite.

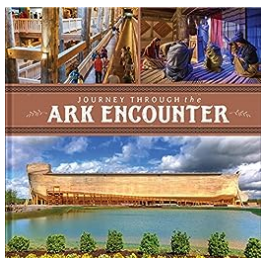

Plan Your Visit

Before embarking on your journey through the Ark Encounter, it's essential to plan your visit. The attraction can get quite busy, particularly during peak seasons, so consider booking your tickets in advance. This ensures you have ample time to explore everything at your own pace and fully immerse yourself in the experience.

Additionally, be sure to dress comfortably, as there is plenty of walking involved. Wear sturdy shoes, as you will be on your feet for an extended period. The Ark Encounter is accessible for individuals with disabilities, with ramps and elevators conveniently placed throughout the facility.

Prepare yourself for an unforgettable journey through the Ark Encounter. From the majestic replica of Noah's Ark to the engaging exhibits and interactive learning, this attraction offers a unique opportunity to experience a pivotal moment in human history. Witness the miracle of Noah's Ark come to life and gain a newfound appreciation for the extraordinary faith and devotion demonstrated by Noah and his family.

Take an amazing tour through the pages of this book as the world's true history is shared through unique, world-class exhibits. Experience the reality of Noah's Ark, an immense wooden ship built to biblical dimensions to survive the violent forces of the global Flood. See common-sense solutions that would have enabled eight people to care for the animals. Discover the Ark's remarkable animal kinds, based on a multi-year study of both living and extinct creatures.

Now experience a special overview of the 120,000-square foot Ark Encounter that includes:

- Detailed displays of the architecture of the Ark, pre-Flood world, intelligence of ancient man, as well as design features and living quarters for the family
- Sensible solutions for collecting water, removing waste, and minimizing manual labor with effective cage designs
- Beautiful photos that capture the quality and artistic beauty of this extraordinary presentation of the Genesis account.

Far from being a fairy tale or a myth, the Ark Encounter challenges believers to realize that the Book of Genesis accurately records the history of real events. Every inch of this timber-framed structure challenges the secular attacks on Scripture. Featuring designs based on clues from ancient cultures, the Ark Encounter brings the biblical account to life and shows that humanity does have its roots in the courageous, faithful family that trusted God.
