Once you're ready, grab your kayak and head towards the river, where the gentle currents of the Thames await. As you paddle along, you'll be captivated by the stunning countryside and charming villages that dot the riverbanks.

### Exploring the Hidden Gems

As you navigate through the water, keep an eye out for hidden gems along the Thames. From ancient bridges to peaceful meadows, the river offers a wealth of beauty and history waiting to be discovered. Make sure to take breaks along the way to explore these enchanting spots and capture some breathtaking photos.

## Savoring the Riverside Delights

No journey along the Thames is complete without indulging in some of the delicious treats offered by the riverside cafes and restaurants. Stop by one of these charming establishments to refuel and recharge. Whether you're in the mood for a delightful afternoon tea or a scrumptious fish and chips meal, the local cuisine will satisfy all your cravings.

## Reaching the Meridian Line

After days of paddling and exploring, you'll finally reach the renowned Meridian Line. This imaginary line marks the prime meridian, dividing the Earth into its

eastern and western hemispheres. Take a moment to reflect on this remarkable achievement as you soak in the breathtaking panoramic view of the river.

As you cross the Meridian Line in your kayak, you can't help but feel a sense of accomplishment and awe. It's a unique experience that allows you to connect with nature and history simultaneously.

Kayaking the Thames from the Devon Pub to the Meridian Line is a journey that combines adventure, nature, and history in an unforgettable way. From the charming pub in Devon to the famous Meridian Line, each part of the trip offers its own distinct wonders.

So, if you're seeking a thrilling adventure that will immerse you in the beauty of the Thames, grab your kayak and embark on this incredible journey. The mesmerizing sceneries, hidden gems, and the sense of accomplishment that awaits you will make it a truly memorable experience.

If you've ever considered the idea of kayaking or canoeing down England's longest river then you'll have soon found out just how confusing much of the available information is.

That is exactly what the author found when he and a couple of friends decided to take on the Thames in 2012. What had seemed like a good idea in the pub rapidly developed into a far more daunting prospect.

This guide fulfils two roles: it provides a thorough journal of the author's own nine day descent of the Thames from Cricklade to Greenwich, and it offers a wealth of resources, both printed and on-line.

Though this guide cannot offer any guarantees in terms of making the actual paddling easier, it should certainly give a confidence boost to anyone looking to undertake what is a most extraordinary journey across 260km of the south of England.
