

# Marking Time: The Immortal Descendants - Unveiling the Secrets of Immortality

Have you ever wondered what it would be like to live forever? To witness history unfold and participate in the events that shaped our world? Marking Time: The Immortal Descendants will take you on a breathtaking journey through time,

unraveling the secrets of immortality and captivating your imagination like never before.

## The Intriguing Plot

In the first installment of this gripping series, author April White introduces us to Saira Elian, a typical 17-year-old girl who discovers that she is anything but ordinary. Saira belongs to a secret society known as the Immortal Descendants, who possess a rare genetic ability to time-travel. As she embarks on a quest to uncover the truth about her heritage, Saira is thrown into a world of danger, conspiracy, and romance that spans centuries.

Throughout the book, White masterfully combines elements of science fiction, fantasy, and historical fiction to create a captivating and immersive experience for readers. The story seamlessly weaves together historical events, such as the sinking of the Titanic and the assassination of President Lincoln, with an intricate web of time-travel and supernatural powers.

## **The Alluring Characters**

One of the greatest strengths of *Marking Time: The Immortal Descendants* lies in its compelling characters. Saira Elian is not your typical fearless heroine; she is a flawed and relatable character who struggles with her newfound abilities and the weight of her responsibilities. Her journey of self-discovery and personal growth is a central theme in the book, making her an incredibly compelling protagonist.

Equally captivating are the supporting characters, each with their unique personalities and story arcs. From the enigmatic Archer, Saira's devoted mentor, to the charmingly mischievous Ringo, a fellow Immortal Descendant, every character adds depth and complexity to the narrative. Their interactions and relationships provide an emotional anchor to the story, connecting the readers to their trials and triumphs.

## **The Time-Bending Worldbuilding**

As the title suggests, *Marking Time: The Immortal Descendants* offers a unique spin on the concept of time. April White crafts a rich and intricate world that seamlessly blends different historical periods and locations. From ancient Rome to medieval Europe, readers will be transported through time and space, experiencing the sights, sounds, and smells of each era with vivid detail.

The author's attention to historical accuracy is commendable, as she intricately weaves in real-world events and figures to create a believable backdrop for the story. This careful research adds depth and authenticity to the narrative, immersing readers in the world of the Immortal Descendants and making them question whether time travel might just be within reach.

## **A Page-Turning Adventure**

Marking Time: The Immortal Descendants is a rollercoaster ride of suspense, mystery, and heart-pounding action. April White seamlessly blends genres to create a story that will appeal to fans of time travel, historical fiction, and urban fantasy alike. The book's fast-paced narrative will keep you on the edge of your seat, eagerly turning the pages to uncover the secrets of the Immortal Descendants.

Additionally, the novel's perfect balance of plot, character development, and worldbuilding ensures that readers are fully engaged from start to finish. White's prose is captivating, creating vivid imagery that effortlessly transports readers into the heart of the story. The seamless integration of historical facts with supernatural elements adds a layer of intrigue that will leave readers hungry for more.

Marking Time: The Immortal Descendants is a must-read for anyone who loves a thrilling blend of history, fantasy, and time travel. April White has crafted an immersive world with memorable characters that will keep readers hooked until the very last page. Prepare to be captivated by this heart-pounding adventure, as Saira Elian marks time and unveils the secrets of immortality.

**\*\* Winner of the 2016 Library Journal Indie E-Book Award - YA \*\*** Seventeen-year-old tagger Saira Elian can handle anything ... a mother who mysteriously disappears, a stranger who stalks her around London, and even the noble English grandmother who kicked Saira and her mother out of the family. But when an old graffiti tag in a Tube station transports Saira to the nineteenth century and she comes face-to-face with Jack the Ripper, she realizes she needs help after all. Saira meets Archer, a charming student who helps her blend in as much as a tall, modern American teen can in Victorian England. He reveals the existence of the Immortals: Time, Nature, Fate, War, and Death, and explains to Saira that it is possible to move between centuries – if you are a Descendant of Time. Saira finds unexpected friendships at a boarding school for Immortal Descendants and a complicated love with a young man from the past. But time is running out for her mother, and to save her, Saira must embrace her new identity as she hides from Archer a devastating secret about his future that may cost him his life.
