Step 2: Create a Study Schedule

To effectively prepare for the AP Human Geography exam, it's important to develop a study schedule that fits your needs and allows you to cover all the content. Start by assessing your strengths and weaknesses in different areas and allocate more study time to the topics you find challenging.

Creating a study plan will help you stay organized and make progress towards your goals. Divide your time into weekly study sessions and make sure to dedicate enough time to review and practice answering both multiple-choice and free-response questions.
