This is a book about athletics, perhaps better known to many readers as track and field sports. The author, Rocky Park tells his story in a unique manner that can only be expected from a best selling story teller, that he is. Indeed, the story is quite compelling as it is riveting as it is unfolded across the spectrum of 25 individual sports, from sprints to marathon competition, that comprise athletics. Our readers will not only be enlightened on the basics of each sport, they will also become quite familiar with many important individual champions of the sports,

They will also acquaint themselves with many interesting techniques which are basis of improvement of our heroes' performances as they defied the limitation of body's ability.

In fact the most significant reason for this book's success is the importance that the author attaches to heroic stories of our champions as they achieve what was considered impossible, up until they proved otherwise.

Rocky Park considers athletics the Queen of all sports and invites our readers to come along on a journey with the Queen. You will become satisfyingly breathless at the end of your journey, in much the same way as many of our heroes exulted after they accomplished beyond the limit of their ability.

#### About the Author

Jung-Ki "Rocky" Park has been a council member of the IAAF since 1991 and is currently the honorary president of the Organizing Committee for the 2011 Daegu World Championships in Athletics. Korea regained the reputation as a marathon powerhouse by winning a gold medal in the 1992 Barcelona Olympics and a silver medal in the 1996 Atlanta Olympics, while Park served as President of the Korea Association of Athletics Federations. His outstanding leadership skills were exemplified during his helm as President of Korea Heavy Industries and Korea Electric Power Corporation in the 1980s. As the author of several bestselling books in Korea, including Plain Stories by a Grandpa and The American Civil War, Rocky graduated from Korea Military Academy, studied in the doctoral program of Sociology at Hosei University in Japan, served as a Visiting Fellow at Tokyo University, and received an honorary doctorate from the Russian State Academy of Physical Education.
