2. Who holds the record for the most runs in Ashes matches in the last decade?

When it comes to runs scored in Ashes matches over the past decade, one name stands out from the rest - Steve Smith. The talismanic Australian batsman has amassed a staggering 2,868 runs in 24 Ashes Tests, including 11 centuries and 10 half-centuries.

3. Which bowler has taken the most wickets in the Ashes series during the last decade?

The honor of being the highest wicket-taker in Ashes matches over the past decade goes to England's very own James Anderson. His exceptional swing and seam bowling have seen him claim 82 wickets in 20 matches, making him one of the most successful fast bowlers in Ashes history.

4. Has any team ever won the Ashes series without losing a single match?

Yes, in the last decade, there has been one team that achieved the remarkable feat of not losing a single game in the Ashes series. Australia accomplished this impressive feat in the 2013-14 series, winning 5 out of the 5 matches and drawing one.

5. Who has scored the highest individual score in an Ashes match in the last decade?

In the last decade, it was England's towering batsman, Ben Stokes, who etched his name in cricketing history with a monumental innings. In the 2019 Headingley Test, Stokes scored an unbeaten 135 runs to lead England to a breathtaking one-wicket victory, producing one of the most remarkable innings in Ashes history.

6. How many times did the Ashes series end in a draw during the last decade?

Out of the five Ashes series that took place over the last decade, only one series ended in a draw. The 2019 series, filled with thrilling clashes and unforgettable moments, finished with both teams winning two matches each, resulting in a 2-2 draw.

7. Who has won the most Ashes series in the last decade?

Australia has had the upper hand in the Ashes series during the last decade. They have won three out of the five series, in 2013, 2017-18, and 2019. England, on the other hand, clinched victory in the 2015 series, while the 2010-11 series ended in a draw.

8. What has been the closest winning margin in the last decade of Ashes cricket?

The closest winning margin in the last decade of Ashes cricket was a nail-biting 1 run. This thrilling happened in the opening Test of the 2013 series at Trent Bridge.

England emerged victorious by the smallest of margins, showcasing the mesmerizing drama that is synonymous with the Ashes.

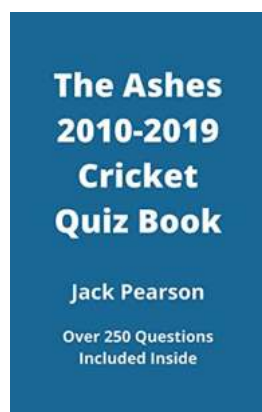

9. Who has won the iconic urn more times in the past decade?

Australia has been the proud holder of the iconic Ashes urn more times than England in the last decade. Having won three out of the five series, Australia has shown its dominance and strength in this fiercely contested rivalry.

10. Is there any significant milestone achieved by a player in Ashes cricket during the last decade?

Ashes cricket has witnessed some tremendous individual milestones over the past decade. One such achievement that stands out is Alastair Cook becoming England's all-time leading run-scorer in Test matches during the 2017-18 Ashes series. He surpassed the great Sachin Tendulkar's record and cemented his place in cricketing history.

These are just a few of the many fascinating questions that have arisen from a decade of Ashes cricket. The rivalry continues to captivate cricket fans around the world, and there is no doubt that more exciting chapters and record-breaking performances will unfold in the years to come.
