The Journey to Barbecue Perfection

At Pig Palaces Brisket Barns, we take barbecue seriously. Our journey to barbecue perfection began years ago when our pitmaster, Joe Smith, embarked on a quest to revive the age-old art of slow-cooking meats to perfection. Armed with passion, incredible flavor profiles, and the finest local ingredients, Joe's vision soon brought Pig Palaces Brisket Barns to life.

You may know all the famous barbecue joints of Kansas City and Memphis, but have you ever visited Amoral Abattoir? Pork By the Pound? UnderArby's? Have you ever sampled the decadent delicacy known as the Bar-B-Cone? No, you haven't, because technically they don't exist; but no matter, because this guidebook will tell you everything you need to know about them, and other absurd, esoteric, and idiosyncratic barbecue joints across this great nation. Steve Johnson (Obscure Early Bluesmen Who Never Existed, So You've Decided To Run a Role-Playing Game) and Leighton Connor (The Rosamund Trap, The Flaxman's Anomaly) have joined forces to lovingly craft this travelogue of imaginary barbecue joints that is frequently hilarious, usually dumb, and always entertaining.
