

Strap in for a Rollercoaster Ride with Terry Ravenscroft: The Mastermind Behind "It's Not Cricket"

If you've never heard of Terry Ravenscroft, you're in for a treat. This talented and witty writer has taken the world by storm with his hilarious novel "It's Not Cricket." Get ready to embark on a rollercoaster ride as we explore the life and works of this extraordinary individual.

The Birth of a Legend

Born and raised in the quaint little town of Blackburn, England, Terry Ravenscroft always had an inclination towards humor. At an early age, he discovered his love for writing and entertaining others with his witty charm. Little did he know that this passion would eventually lead him to pen down one of the most remarkable novels in recent years.

A Glimpse into "It's Not Cricket"

"It's Not Cricket" is more than just a novel; it's a hilarious rollercoaster ride through the world of cricket. This tale follows the misadventures of a bunch of amateurs who form a cricket team. Expect wacky characters, laugh-out-loud moments, and a plot that will keep you hooked from start to finish. Ravenscroft's brilliant storytelling skills and razor-sharp wit ensure that you'll be in stitches while turning every page.

Experience Cricket Like Never Before

Whether you're a cricket enthusiast or someone who has never held a bat in your life, "It's Not Cricket" promises a one-of-a-kind experience. Ravenscroft's storytelling transcends the boundaries of the sport, making it accessible to anyone who enjoys a good laugh. His unique blend of slapstick comedy and clever wordplay keeps readers of all backgrounds entertained.

Standout Characters

One of the highlights of "It's Not Cricket" is the memorable cast of characters that Ravenscroft has created. From the clumsy wicket-keeper with butterfingers to the overenthusiastic, but hopelessly untalented captain, each character brings something special to the story. You'll find yourself falling in love with their quirks and rooting for them despite their comical flaws.

The Genius Behind the Laughter

Terry Ravenscroft's talent extends far beyond just "It's Not Cricket." He has written a plethora of comedy scripts for television and radio, gaining recognition and acclaim for his work. From popular British sitcoms to successful radio sketch shows, Ravenscroft's humor has touched the lives of millions around the world.

The Making of a Wordsmith

Ravenscroft's knack for crafting comedic masterpieces can be attributed to his vast array of life experiences. From working as a police officer to owning a pub, his professional journey has been nothing short of extraordinary. These adventures have not only provided him with a wealth of inspiration but have also given him a unique perspective that shines through in his writing.

Uniquely British Humor

One thing that sets Ravenscroft apart is his distinctively British humor. His witty one-liners, impeccable timing, and love for wordplay have become his trademark. If you're a fan of the dry, subtle, and irresistibly funny humor that Britain is famous for, then "It's Not Cricket" is a literary gem you cannot afford to miss.

The Legacy Lives On

With his undeniable talent for tickling funny bones, Terry Ravenscroft continues to leave a lasting impression on readers worldwide. His novels, scripts, and remarkable body of work ensure that his humor will be enjoyed by generations to come.

Grab a Copy Now and Join the Laughter

If you're ready for an unforgettable laugh-out-loud experience, grab yourself a copy of "It's Not Cricket" today. Get ready to shake off the blues, wipe away the tears of laughter, and immerse yourself in the world of Terry Ravenscroft.

Remember, life is too short to be taken seriously, so let Terry Ravenscroft take you on a wild ride through the realms of humor. Brace yourself for countless chuckles, belly laughs, and a good dose of wit – because with "It's Not Cricket," you're in for a literary adventure like no other.

You think the game of cricket is boring? Obviously you have yet to come across the brand of cricket played in the annual match between the villages of Upper Medlock and Lower Medlock. The Wars of the Roses were less keenly contested. And probably had fewer casualties. So when the great ex-England cricket captain Jonny Pickering retires from the professional arena and comes to live in the village of Upper Medlock it is the most wonderful news the local cricket team have ever had; for with Jonny in their side victory will be theirs forever more. However the Lower Medlock team believe they have as much right as their arch rivals to Pickering's services. And will do anything short of murder to acquire them. Blackmail is certainly not out of the question. Nor is supplying Pickering with willing partners of both sexes. Pickering in the meantime is trying his best to enjoy a long and happy retirement. Come the day of the match and Pickering still hasn't decided which of the village teams he will play for. If either. However he has his own ideas on how he can solve the problem and get on with his life in peace...

It's Not Cricket! is a hilarious account of village cricket that probably tells you more about the people who play it than they would care to admit to.

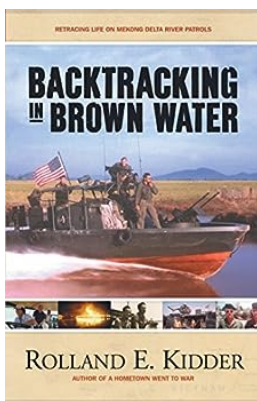

Amazon Reader's Review -

"I think I may have read all of Terry Ravenscroft's books starting with Stairlift to Heaven - possibly the funniest book ever written and he has maintained his form in this book.

The nearest he has done to this is Captain's Day about golf which is also side splittingly funny even if you don't play. In the same way It's Not Cricket needs no prior knowledge of the game to find it highly amusing.

What I like about Ravenscroft is that he is a bit rude. Now, not in the offensive way that most of the so called comics are today on TV, but more targeted. The use of four letter swear words is held to a minimum but when used they are like a rapier of wit. When the local trollop uses her charms on our hero, Ravenscroft manages to turn sex into something so funny I could not help myself but laugh out loud.

In a nutshell we have here a book of rare genius. It will make you laugh out loud and not many books can do that. Just keep it away from the younger children in your family." M G Chisholm.
