

Surviving a Zombie Apocalypse: Alive For Now The Infected Dead

IN THE EVENT OF ZOMBIE ATTACK

3 STEPS TO SURVIVING INFESTATION

1. Avoidance

2. Termination

3. Disposal

1. AVOIDANCE

All zombie infestations render the location uninhabitable. The citizen's first duty is to vacate the area and proceed immediately to an authorized Rescue Station. Only authorized Z.E.R.O. personnel will manage relocation - but, the key to an effective evacuation is COMPLETE AVOIDANCE OF HAZARDOUS CONDITIONS while en route.

EVACUATE

Gather family and essential small valuables only. DO NOT attempt to secure or defend property or possessions.

RELOCATE

Proceed immediately to the Rescue Station assigned to your area. In the absence of Z.E.R.O. Relocation Management personnel, monitor local radio broadcasts for directions.

DO NOT ENGAGE!

It is critical to remember that any zombies encountered during relocation are NOT family or friends but REANIMATED CORPSES INFECTED WITH A DEADLY CONTAGION. Under NO circumstances should you engage one in any kind of interaction. Contagion is transmitted via a bite, and ANY interaction with a zombie results in repeated attempts to bite.

IN THE EVENT OF A BITE...

Apply pressure to the wound with a clean bandage if the supplied WTE KIT until proper medical supervision can be accessed.

IF THE WOUNDED INDIVIDUAL EXPIRES after being bitten, VACATE THE PREMISES IMMEDIATELY or evade guidelines found in next section.

2. TERMINATION

Engage this step only if in an unsecured location, and ONLY if you have positively identified a zombie by using the Zombie Classification Cards (supplied). Otherwise, any terminations should be referred to and executed by a duly authorized member of Z.E.R.O. or your local licensed Zombie Extremist.

CEREBRAL NEUTRALIZATION

The ONLY known method for effectively terminating a zombie, either by cranial penetration or blunt force trauma (A, B, C) or decapitation (D).

CENTER MASS

For stopping or slowing down target ONLY when distance does not permit a head shot. NOT an effective termination method.

LOWER EXTREMITIES

For stopping or slowing down target ONLY when distance does not permit a head shot. NOT an effective termination method.

3. DISPOSAL

"TAPE & TAG"

After terminating the zombie(s), mark the perimeter to enable Z.E.R.O. Disposal Unit personnel to locate the remains and ship to a Mobile Acid Disintegration (M.A.D.) unit for disintegration. This can be completed in two simple "Tape & Tag" steps:

1. Mark area surrounding the remains with an appropriate length of CAUTION ZOMBIE OUTBREAK ZONE tape (supplied).
2. Attach a FORR 280 tag (supplied) to the toe of the corpse.

DO NOT INCINERATE!

Incineration releases airborne toxins which spread infection to the uninfected deceased or, in areas of heavy humidity or precipitation, the recently incinerated deceased. This exponentially increases infestation events.

FORM #078-INFO-998033-2A (rev. 11.09.04)

The world as we know it has drastically changed. Blood-thirsty creatures roam the streets, hungry for human flesh. It's a fight for survival, and only the strong will live to see another day. Welcome to the world of "Alive For Now The Infected Dead," a thrilling immersive experience that puts you in the shoes of a survivor during a zombie apocalypse.

Imagine waking up one day to find chaos everywhere. The once lively city streets are now overrun with hordes of the undead. The government has collapsed,

leaving the population to fend for themselves. Will you be able to outsmart, outrun, and outfight the infected to stay alive?

In "Alive For Now The Infected Dead," you will embark on a heart-pounding journey through an abandoned cityscape, where danger lurks around every corner. Armed with only your wits and a few essential supplies, you will have to make split-second decisions that could mean the difference between life and death.

One of the key aspects that sets "Alive For Now The Infected Dead" apart from other zombie experiences is its attention to detail. The creators have gone to great lengths to ensure an authentic and realistic simulation of a zombie

apocalypse. From the blood-curdling screams of the infected to the eerie silence of the deserted streets, every sound will send shivers down your spine.

The visual effects in "Alive For Now The Infected Dead" are truly astounding. As you navigate through dark and narrow alleyways, the dim lighting and flickering streetlamps create an atmosphere of constant dread. The zombie makeup and costumes are incredibly lifelike, making it easy to forget that you're not actually facing real undead creatures.

Equipped with state-of-the-art virtual reality technology, "Alive For Now The Infected Dead" takes immersiveness to a whole new level. With the use of VR headsets and motion tracking, you will feel like you're truly in the midst of a zombie-infested world. Every step you take, every decision you make, will have real consequences.

But "Alive For Now The Infected Dead" is not just about survival. It also offers a unique opportunity for personal growth and teamwork. As you navigate through the obstacles and challenges, you will learn to trust your instincts and rely on others for support. It's a chance to discover your inner strength and resilience in the face of unimaginable adversity.

If you think you have what it takes to survive in a zombie apocalypse, then "Alive For Now The Infected Dead" is the experience for you. Whether you're a fan of horror or simply seeking an adrenaline rush, this immersive simulation will keep you on the edge of your seat from start to finish.

So, are you ready to put your survival skills to the test? Gather your friends, brace yourself, and step into a world where the dead are alive, and only the fittest will survive. "Alive For Now The Infected Dead" awaits, are you prepared?

Set on the coast of South Carolina, an unknown infection has caused people to die and come back to life as reanimated corpses, attacking any living person. This is the story of the survival of one man who was the benefactor of a shelter that helped him to live through the onslaught of the infected dead. Beginning with the initial days of the apocalypse, Ed Jackson watches the world die from the safety of his shelter, but there are others who are also trying to stay alive as they seek refuge. He must decide who he will take into his shelter and who he will reject, and those decisions will help him to form the bonds he did not have even before the end of the world. He and his new friends are faced with the dangers of the dead world as they are forced to leave the safest shelter anyone could possibly have in order to do more than simply exist in a zombie infested world.
