SWEET SUMMERS

THE CLASSIC CRICKET WRITING OF JM KILBURN

Edited by
Duncan Hamilton

Winner of the Wisden Cricket Book of the Year 2009

GREAT NORTHERN

‘He was the very best of cricket writers.’

Dickie Bird

For more than forty summers, J M Kilburn was one of cricket’s major romantic poets; the Coleridge to Neville Cardus’ Wordsworth. His cultivated essays captured the spirit and beauty of the game and the legends gracing it, among them Donald Bradman, Fred Trueman, Jack Hobbs, Keith Miller, Garry Sobers, Hedley Verity and Walter Hammond. He writes of the days when 8,000 people watched Yorkshire’s County Championship matches; when he travelled by ship on an Ashes tour with his friend Len Hutton; and of a bygone but beautiful period when one-day matches, coloured clothing and rampant commercialism in cricket simply didn’t exist.

Now you can explore these summer days in a richly satisfying collection of Kilburn’s work. His words are worth reading not only because he was a knowledgeable and respected interpreter of cricket but also for the valuable historical and social perspective that reading him provides. This book is a glorious, literary treat for anyone who appreciates the true spirit of cricket.

‘His prose was clear, simple and elegant; a little, perhaps, like the batting of the Len Hutton he admired so much and wrote so much about.’

Christopher Martin-Jenkins

‘Nowadays, I believe there are too many writers attached to cricket who know bugger all about it - Jim was different.’

Geoffrey Boycott
