The Plot

Set during the American Civil War, the story revolves around Sergeant Chesterfield and Corporal Blutch, two soldiers serving in the Union Army. As the war intensifies, the two protagonists find themselves in different hilarious situations while attempting to navigate the perils of the Wild West.

Volume Rumberley takes readers through a series of misadventures as Chesterfield and Blutch try to prevent a gold shipment from falling into the hands of the Confederacy. From unruly cowboys and quirky townspeople to cunning bandits and outlaws, our heroes encounter countless obstacles that push their skills, wits, and patience to the limit.

Their journey takes them across vast deserts, rickety bridges, and treacherous canyons, all while attempting to maintain their cover and avoid suspicious

characters. With Cauvin's sharp writing and Lambil's brilliant artwork, the characters truly come to life, making it impossible not to root for them and eagerly turn the pages to see what happens next.

The Characters

Sergeant Chesterfield and Corporal Blutch, the dynamic duo at the core of The Bluecoats, have personalities that perfectly complement each other. Chesterfield is the dedicated, rule-abiding soldier who strives to do his duty at all costs, even if it means enduring endless comedic situations. Blutch, on the other hand, is the rebellious, quick-thinking soldier who always finds a way to deviate from orders and pursue his own path.

Together, Chesterfield and Blutch create a delightful dynamic that keeps readers engaged throughout the entire volume. Their banter, slapstick humor, and constant exchanges of wit inject a lightheartedness into the story, making it an enjoyable read from start to finish.

Adding to the already colorful cast of characters are the various cowboys, townsfolk, and bandits that our heroes encounter along the way. Each character brings a unique flavor to the story, with their exaggerated traits and humorous quirks adding to the overall comedic tone.

The Artwork

Willy Lambil's illustrations deserve special praise. His attention to detail, expressive character designs, and immersive backgrounds transport readers directly into the heart of the Wild West. From the scorching sun casting long shadows to the dusty saloons filled with boisterous cowboys, Lambil's artwork captures the essence of the era and enhances the narrative with its vibrant visuals.

Moreover, Lambil's ability to convey physical comedy adds an extra layer of hilarity to the already amusing script. Whether it's Chesterfield accidentally falling into a water trough or Blutch looking disheveled after a gunfight, the comedic timing in both the writing and the illustrations is impeccable.

The Bluecoats Volume Rumberley - A Timeless Classic

"The Bluecoats Volume Rumberley" is a timeless comic treasure that appeals to fans of Westerns, comedy, and adventure alike. With its engaging plot, delightful characters, and captivating artwork, it is a must-read for comic book enthusiasts of all ages.

So go ahead, grab a copy of "The Bluecoats Volume Rumberley," and embark on an unforgettable journey through the Wild West. Let yourself be entertained by the misadventures of Chesterfield and Blutch as they navigate the treacherous yet hilarious world around them. This graphic novel is guaranteed to leave you in stitches and eagerly awaiting the next installment of The Bluecoats series.
