## **Connor was my dream guy. Too bad he was my best friend.**

Allie

I'd been waiting a long time for my best friend, the boy next door to wake up! Didn't he see? We belonged together. It didn't matter he was the hot, popular quarterback and I was the tomboy he'd known since we were in diapers. No one would ever love him like I did.

But Connor didn't see me that way. So, I did what any self-respecting girl would. I found someone else.

Connor

She blindsided me. That's what happened when I saw Allie with that other freaking guy. I thought I had time. Time to tell her how I really feel. After I figured out how to keep her as my friend.

Because losing Allie? Well, I'd sooner give up my football scholarship. Or my throwing arm. But not Allie.

That's just not going to happen. So, I had to come up with a plan. One where we pretend to love each other. Only for me? It's real.
