One of the defining moments for the Steelers' brotherhood came during Super Bowl IX in 1975. The team faced the tough challenge of the vaunted Minnesota Vikings defense, but their unyielding bond as a brotherhood propelled them to a 16-6 victory. It was the first of four Super Bowl wins during the decade, solidifying their place in history.

The "Steel Curtain" and the Brotherhood

The defensive unit of the 1970s Steelers, famously known as the "Steel Curtain," was the epitome of the brotherhood concept. Led by the likes of Mean Joe Greene, Jack Lambert, and Mel Blount, this formidable defense was

impenetrable. Their bond on the field was unbreakable, and they relied on each other's strengths to dominate their opponents.

Off the field, the Steelers' brotherhood extended beyond football. The players genuinely cared for one another and formed lifelong friendships. They were not just teammates, but brothers who supported each other through triumphs and tribulations. They shared a common goal of greatness and were willing to do whatever it took to achieve it.

The Brotherhood Today

“The definitive book of the 1970s Pittsburgh Steelers” (Scott Brown, ESPN), *Their Life’s Work* is a triumphant yet intimate literary sports book that—through exquisite reportage, love, and honesty—tells the full story of the best team to ever play the game.

The Pittsburgh Steelers of the 1970s won an unprecedented and unmatched four Super Bowls in six years. A dozen of those Steelers players, coaches, and executives have been inducted into the Hall of Fame, and three decades later their names echo in popular memory: “Mean” Joe Greene, Terry Bradshaw, Franco Harris, Mike Webster, Jack Lambert, Lynn Swann, and John Stallworth. In ways exhilarating and heartbreaking, they define not only the brotherhood of sports but those elements of the game that engage tens of millions of Americans: its artistry and its brutality.

Drawing on hundreds of interviews, *Their Life’s Work* is a richly textured story of a team and a sport, what the game gave these men, and what the game took. It gave fame, wealth, and, above all, a brotherhood of players, twelve of whom died before turning sixty. To a man, they said they’d do it again, all of it. They bared the soul of the game to Gary Pomerantz, and he captured it wondrously. “Here is a book as hard-hitting and powerful as the ‘Steel Curtain’ dynasty that Pomerantz depicts so deftly. It’s the NFL’s version of *The Boys of Summer*, with equal parts triumph and melancholy. Pomerantz’s writing is strong, straightforward, funny, sentimental, and blunt. It’s as working class and gritty as the men he writes about” (The Tampa Tribune, Top 10 Sports Books of the Year).
