Get three full-length novels in this series that has captured the hearts of thousands of readers!

♥ Abi and the Boy Next Door

It's the first day at my new school and I already have a wide load sticker on my back.

But this is still better than life was before. Before I was taken away from my parents. Before I moved in with my grandma.

Before I met Jon Scoller.

He's cute, he lives down the street, but the guy asks way too many questions. Questions about a past I'd rather forget.

And I am not his type. He needs to be with a cheerleader. A perfect girl. Someone who doesn't look like the before picture for a weight loss shake.

Jon makes me feel like I'm more than a number on the scale, but I'm starting to wonder: does he feel the same way or does he just feel sorry for me?

Fans of Sierra Burgess is a Loser, Dumplin', and Sugar will love this heartfelt YA romance with diverse characters, a ride or die group of friends, and a teenage girl who's still figuring it all out. Download *Abi and the Boy Next Door* today to start the adventure!

♥ *Abi and the Boy Who Lied*

Someone's out to get me. I just don't know who.

It's been the craziest year of my life, and celebrating graduation with Jon just makes it all feel real. Like maybe I can have my happily ever after.

But then Grandma hands me a graduation card. And there's no address on it. No signature. Just six words from a complete stranger that turn my life upside down.

I'm supposed to be getting ready for college. Dealing with moving away from my friends after actually finding some. Enjoying my relationship with Jon. But maybe all of that is the least of my worries. Because I know one thing for sure: someone is out to get me.

I just hope I can find out who it is without losing the love of my life in the process.

Continue reading the second book in Abi's story, a sweet young adult/new adult romance filled with swoony kisses, thrilling moments, and enough adrenaline to last Abi a lifetime.

♥ Abi and the Boy She Loves

I don't want to be another statistic.

After everything I've been through, I'm more focused than ever on healing myself and living the kind of life I want. But with my dad up for parole and Jon's athletic career over with a single injury, my dreams are turning into a nightmare.

I have so many questions. How can I heal when everything around me seems so broken? How can I live my life when the person who hurt me might walk free?

And the hardest question of all: How can Jon know he loves me if he doesn't even know who he is anymore?

Abi's story comes to an end in an incredible, emotional, tumultuous journey. Read the final book in The Texas High Series: Abi for a heartfelt story you will never forget.
