

# The Curse of Viola Greene Island Mystery - Unraveling the Truth

Welcome, intrepid explorers and mystery enthusiasts, to the enigmatic world of Viola Greene Island. Nestled deep within the hidden corners of the Pacific Ocean, this remote gem is home to a mystery that has baffled adventurers and historians alike for centuries. Brace yourselves as we dive into the fabled Curse of Viola Greene Island!

## The Legend Begins

The tale of this ancient curse traces back to the early 1700s, when a notorious pirate named Captain Nathaniel Blackwood first set foot on the island. As the legend goes, Blackwood discovered a sacred artifact that granted immense power but brought with it a terrible curse. This cursed artifact, known as the Eye of Viola Greene, had the power to manipulate minds and control the very fabric of reality.

It is said that Blackwood and his crew fell under the spell of the Eye, using its powers to amass great wealth and bend others to their will. However, this newfound power came at a great cost. The island was forever tainted by the curse, and all who dared to seek the Eye of Viola Greene would face unspeakable horrors and eternal damnation.

## The Mysterious Disappearances

Over the years, countless explorers and treasure hunters have sought to unravel the secrets of Viola Greene Island, only to vanish without a trace. Ships have mysteriously disappeared within the island's treacherous waters, and those who set foot on its shores have been consumed by madness or simply never returned.

The island's deadly curse seems to possess a malevolent force, guarding the Eye of Viola Greene from falling into the wrong hands. Some claim that the ones who fell victim to the curse became trapped on the island, doomed to roam its shores as tormented spirits forever.

## Theories and Speculations

Numerous theories have emerged over the years, attempting to shed light on the nature of this mysterious curse. Some argue that the Eye of Viola Greene holds unimaginable power, with the curse acting as a protective mechanism to prevent its misuse. Others suggest that the curse is the lingering presence of a vengeful spirit, seeking retribution on those who disturb the island's peace.

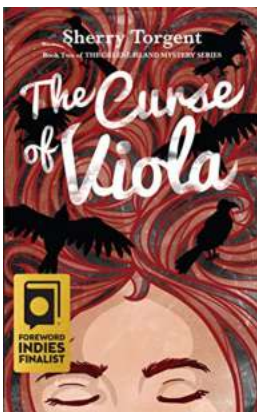

Scholars and adventurers continue to study the island and its legends, hoping to unlock the truth hidden within centuries of dense jungle and treacherous waters. Could there be a way to break the curse and harness the power of the Eye for good? Or is the Curse of Viola Greene destined to forever guard its secrets from prying eyes?

## **Foreword INDIES Book of the Year Award Finalist**

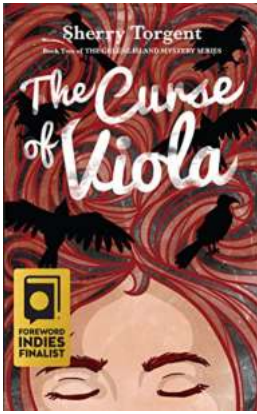

Hardy is beginning to expect the unexpected. He can see dead people, after all. But when the spinning wall of light opens up on the whiteboard on his first day of class at Ellery University, his worst nightmare becomes a reality—someone in his class is dying, and he's the only one who can do something about it.

Then there's the girl with the red hair and striking green eyes. Emma. She's way out of Hardy's league, yet she's planted herself next to him in class. Was it just him, or did she feel the same strange connection between them?

When students at EU start getting sick, fate quickly throws Hardy and Emma together, and they embark on a journey into Greene Island's past. Has Viola returned, bringing her curse with her, or are there other dark forces at work?

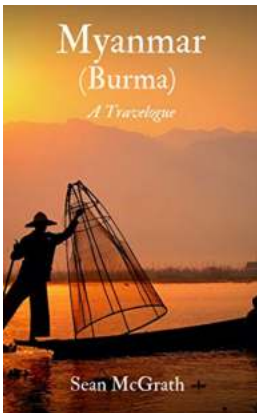

When long buried secrets are resurrected, Hardy and Emma will find themselves face-to-face with The Curse of Viola, and the consequences are more serious than either of them ever expected.
