Pearl and Ruby have always shared everything, including their Snow White and Rose Red curse. When they were little kids, that meant sharing Pop-Tarts and cartoons with Theo, the enchanted bear prince who came to visit them every winter and then disappeared from their lives.

At seventeen, sharing is still their way of life—clothes, double dates, and part-time jobs at their mom's café, Twin Roses. Then the harbinger of the second half of their curse shows up—the annoying man who caused the bear prince to be cursed in the first place. They must help him if they want their prince—their fated love—to return to their lives in human form. But there's one little detail. There are two of them, and only one Theo.
