Fury," Banghart introduces readers to a world brimming with political intrigue, sisterhood, and remarkable female protagonists. Embark on an extraordinary journey in this long descriptive tale that seamlessly intertwines themes of resistance and self-discovery.

The Unforgettable Protagonists

The heart of every great story lies in its characters, and "Grace And Fury" delivers exquisitely. In the intricate tapestry of this feminist fantasy, two sisters named Serina and Nomi Tesadora find themselves at the center of a society that oppresses women and stifles their dreams. Each character possesses a unique spirit that is brought to life through Banghart's rich descriptions and emotional depth.

Serina Tesadora, the elder sister, epitomizes grace and poise. Trained her whole life to be a "Grace" – a subservient, beautiful woman meant to entertain the Heir to the throne – Serina's journey takes an unexpected turn when she becomes a rebel in her own right. Thrust into a treacherous world, she discovers the strength that resides within her and finds the courage to challenge the status quo.

headstrong and rebellious younger sister, Nomi, out of trouble. But when Nomi catches the Heir's eye instead, Serina is the one who takes the fall for the dangerous secret her sister has been hiding.

Trapped in a life she never wanted, Nomi has only one option: surrender to her role as a Grace until she can use her position to save Serina. But this is easier said than done...a traitor walks the halls of the palazzo, and deception lurks in every corner. Meanwhile, Serina is running out of time. Imprisoned on an island where she must fight to the death to survive, surrounded by women stronger than she is, one wrong move could cost her everything. There is no room for weakness on Mount Ruin, especially weaknesses of the heart.
