They'll do the right thing—so long as there's a good payday.

Jack Tressler and the crew of the Little Princess II are bored. Despite repeated attempts to go legit, they're drawn to the allure of black market dealings. Their latest venture: covertly transporting passengers.

With their spaceship not quite up to snuff for a high-paying client, they decide to get the vessel detailed. However, through a series of miscommunications, the crew inadvertently finds themselves taking on more passengers than they'd planned—and being the latest addition to a human trafficking ring.

With a dangerous pirate gang known as the Blue Rabbits expecting delivery of their human cargo, Jack and his friends hatch a daring plan to free the innocent workers. That is, so long as they get to take home some loot in the process.

Making Trouble is the third installment in Troubled Space, a series of short, comedic space opera novellas perfect for fans of Space Team, Spaceballs, and other funny sci-fi.
