For readers of Lauren Kate's Fallen series comes the sequel to The Beautiful and the Cursed, The Lovely and the Lost finds the Waverly sisters in mortal danger and able to trust no one.

Ingrid and Gabby Waverly moved to France expecting a quiet reprieve from London gossip, but the truth they face in their new home has a sharper--and deadlier--sting.

Paris is plagued by an underworld of demons and gargoyles who all seem to want something from the Waverly girls. Saving Ingrid's twin, Grayson, from the fallen angel Axia nearly killed them. And they're still being hunted--only this time, demons aren't their only predators.

Ingrid's blood is special: it bestows the power to command gargoyles. It's an ability no other human has, and in the wrong hands, it could be used to send her cursed guardian, Luc, and his fellow Dispossessed to extinction. There are those

who will do anything to get Ingrid's blood--and they see no value in human life.

The Alliance has vowed to protect the Waverlys, and a new gargoyle has been assigned to guard their abbey home alongside Luc. But no one can watch over Ingrid, Gabby, and Grayson all the time--which means the three must learn to fight for themselves.

Because darkness follows the Waverlys. And sometimes darkness comes in the form you trust the most.
