### Key Provisions of the Act

The Act comprises several essential provisions that individuals dealing with negotiable instruments should be aware of:

1. **Definition of Negotiable Instruments:** The Act specifies what qualifies as a negotiable instrument and clearly defines its characteristics.
2. **Liability of Parties:** It outlines the various parties involved in a negotiable instrument and their respective liabilities in case of default or non-payment.
3. **Holder in Due Course:** The Act provides protection to a holder in due course, who acquires the instrument in good faith for value before maturity

and without knowledge of defects.

4. **Discharge and Discharge in Due Course:** It explains the conditions under which a negotiable instrument can be discharged, settling the obligations of the parties involved.
5. **Crossing of Cheques:** The Act covers the crossing of cheques, which involves adding two parallel lines on the face of a cheque to make the payment more secure.

## **Bare Acts: An Invaluable Resource**

To gain a deeper understanding of the Negotiable Instruments Act 1881, it is crucial to refer to the original bare acts. Bare acts are the unamended original laws that were passed by the legislature. They provide the foundation for interpreting and implementing the legal provisions.

By studying the bare acts, you can gain insights into the historical context, the intentions of the lawmakers, and any subsequent amendments made to the Act. It

is an invaluable resource for lawyers, students, and anyone seeking detailed knowledge about specific laws.
