2. Get Vaccinated

It is important to consult with a healthcare professional and ensure you have all necessary vaccinations before traveling to the Philippines. Stay updated with your routine vaccinations and consider shots for diseases like typhoid, hepatitis A, and tetanus.

3. Pack Appropriate Clothing

The Philippines has a tropical climate, so it's crucial to pack light, breathable clothing. Don't forget your swimsuits, sunglasses, hats, and sunscreen to protect yourself from the scorching sun.

4. Explore the Vibrant Manila

Start your Philippine adventure in the bustling capital city of Manila. Visit historic sites such as Fort Santiago and Intramuros, explore art galleries and museums, and indulge in local street food.

These are just a few of the many incredible travel tips Jessie Voigts has to offer. Feel free to bookmark this article as your go-to guide for visiting the magical Philippines. Remember, the key to a successful trip is being well-prepared and open to new experiences. So pack your bags, and get ready for an unforgettable adventure in the stunning archipelago of the Philippines!

The Philippines: 100 Travel Tips is the Best Selling Travel Guide to The Philippines

The Philippines: 100 Travel Tips is an insider's guide to exploring the best of the Philippines.

Co-authored by a Filipina who has worked in the Philippines travel industry for over 15 years and a world traveler, this book covers all you need to know to visit the Philippines.

The Philippines, one of the gems in Southeast Asia, is becoming a very popular tourist destination. The Philippines has 7,107 islands and so many provinces scattered across the western Pacific Ocean - and each has its own culture. But where to start your travel planning?

This insider's guide covers when to visit, what you need to enter, how to get there, what you can and should bring, cultural reminders, language, what to wear, getting around, accommodations, dining, health and safety, family travel, shopping, must-see attractions, top sports activities, locals favorites and recommendations, and more. The book is filled with beautiful photos by professional Filipino photographers - showcasing the magic and wonder of these islands in Paradise.

Here are just some of the topics covered:

- The best months to visit the Philippines and which dates you should avoid
- Money Saving Tips

- Depending upon where you are traveling you may choose renting a car, taking the taxi, the bus, or the train. You will know the right form of transportation to choose based on where you're going, the cost, and level of comfort
- Traveling between the islands? Know when to take the plane Vs. a boat or ferry
- When it makes sense to book your stay with a condo or an apartment vs. a hotel
- Other forms of accommodations you may not have heard of...if you are looking for a more adventurous stay
- Traditional, delicious Filipino dishes you should request when you dine
- Shots and vaccinations you should have if you are traveling to certain areas
- A list of the things you should Never Do
- Tips for traveling with your children
- The Philippines is a Shoppers Paradise...You'll discover the best places to shop
- A detailed list of the places you Must See

With 7,107 islands it's hard to decide what to see and do. You will discover the top attractions, along with off the beaten path things not to miss. From extreme sports to luxurious spas, there are so many things the Philippines has to offer you may want to make it an annual destination

And so much more...
