From vampires and werewolves to demons and witches, the members of Department Nineteen face dangers that would make even the most seasoned monster hunter shudder. Led by the enigmatic Jamie Carpenter, the organization battles these supernatural beings with a combination of advanced weaponry and age-old techniques passed down through the generations.

The Rising: A Glimpse into Darkness

"The Rising" is the fourth installment in the Department 19 series, and it catapults readers into an adrenaline-fueled adventure from the very first page. Picking up where its predecessor, "Battle Lines," left off, this novel follows Jamie Carpenter, Larissa Kinley, and the rest of the Department Nineteen team as they face their most formidable threat yet.

As the Department struggles to recover from the devastating events of the previous book, a new and insidious force emerges from the shadows. Code-named Valeri Rusmanov, this vampire is unlike any Jamie and his team have encountered before. With a thirst for chaos and destruction, Valeri sets in motion a plan that could bring the world to its knees.

At the heart of "The Rising" is the conflict between Jamie's personal desires and his duty to Department Nineteen. The novel delves deep into Jamie's struggle to balance his newfound love for Larissa and his unwavering commitment to eliminating the supernatural threats that plague humanity.

A Thrilling Journey into Darkness

As readers immerse themselves in the world of "The Rising," they will be captivated by the intense action sequences, heart-wrenching emotional moments, and the morally ambiguous choices that the characters must make. The vivid descriptions transport readers from the shadowy halls of Department Nineteen to the murky depths of vampire covens, creating a sense of adrenaline-fueled urgency that will keep readers turning the pages.

The character development in "The Rising" is masterfully done, allowing readers to form deep connections with Jamie, Larissa, and the rest of the Department Nineteen team. Each character is flawed and complex, and their personal struggles offer a glimpse into the intricacies of the human psyche.

Will Hill's writing style is highly engaging, with descriptive prose that paints a vivid picture of the world within the novel. The atmospheric settings and expertly crafted dialogue make "The Rising" an immersive experience that transports readers into a thrilling, supernatural adventure.

“Enthralling. . . . From UV grenades to exploding stake bombs to a giant anti-vampire superweapon, the gadgets add a neat modern twist to the traditional stakings. Fans will devour the pages and thirst for the next volume.”—Kirkus

“Will keep teens who are undaunted by its 600 pages on the edge of their seats. Interweaving the stories of Jamie, Dracula, Frankenstein, and a mysterious man wandering the American desert, this book is closer to the elaborate works of Stephen King than many vampire novels marketed to teens.”—VOYA

Sixteen-year-old Jamie Carpenter's life was violently upended when he was brought into Department 19, a classified government agency of vampire hunters that was formed to deal with a little problem . . . known as Dracula.

But being the new recruit at the Department isn't all weapons training and covert missions. Jamie's own mother has been turned into a vampire—and now Jamie will stop at nothing to wreak revenge on her captors. Even if that means facing down Dracula himself.

The Rising is a fast, furious, can't-turn-away thrill ride that will suck readers in just like a video game. This riveting second book in the Department 19 series is packed with cutting-edge gadgets, international locales, and daredevil action that tumbles ferociously across the page—perfect for fans of Darren Shan and Anthony Horowitz.

Dear Neuroscience Company,
I feel I must thank you an apology.
I'm sorry for being chronically ill. I can hear the resistance, combat, and other things in your system which are overwhelming. Please make it clear that my condition is a huge inconvenience for you, and I never intended for it to be this way.
I'm sorry that no matter how many times I've explained my symptoms to you, you still don't understand exactly what the problem is. In the way that my doctors and specialists haven't been able to clearly anything for me either.
Even the appointments you sometimes have scheduled don't seem to have given you any insight into the illness.
I'm sorry that despite having so much information and so many reports on hand, supporting scientific literature, that you are still unable to grasp the basic concepts of my condition. I can't imagine how frustrating that must be for you.
I'm sorry that I had to consult my doctors prior to following any of your recommendations, and for sure that they don't always agree with you. I'm this because it's my priority to do what's best for my health and well-being, even though I know you don't see it that way.
Sincerely,
