It's important to recognize the signs of a dating diva so that you can protect yourself from becoming yet another victim in their game. Here are some red flags to watch out for:

1. Prone to Flattery:

A dating diva has perfected the art of flattery. They will shower you with compliments and make you feel like the most attractive and desirable person they've ever met. While this attention may feel flattering, it's important to distinguish between genuine admiration and manipulative charm.

2. Inconsistent Behavior:

A dating diva can switch moods and behaviors at the snap of a finger. One moment, they may act completely infatuated with you, but the next day, they might become distant and cold. This hot-and-cold behavior is a classic sign of someone who is not looking for a committed relationship.

3. Keeps You Guessing:

A dating diva loves to play mind games. They will keep you guessing about their feelings and intentions, making you crave their attention and approval. This constant uncertainty can drive you to overanalyze every interaction, leading to stress and anxiety.

4. Avoids Emotional Intimacy:

A dating diva may be great at physical intimacy but struggles with emotional connections. They will keep their guard up, avoiding deep conversations or

sharing personal experiences. This detachment prevents any real emotional bond from forming, leaving you feeling unfulfilled and empty.

5. Multiple Romantic Partners:

A dating diva is rarely content with just one partner. They enjoy the thrill of pursuing multiple romantic relationships simultaneously, constantly seeking validation and attention. If you suspect that your partner may be involved with others, trust your instincts and don't ignore the warning signs.

Now that we've discussed the warning signs, let's delve into the dangers of dating divas:

1. Emotional Rollercoaster:

Dating a diva can feel like being on an emotional rollercoaster. One day, you're on cloud nine, and the next, you're questioning your own worth. The constant ups and downs can leave you feeling exhausted and emotionally drained.

2. Low Self-Esteem:

Being involved with a dating diva can wreak havoc on your self-esteem. Their flattery and attention may initially boost your confidence, but their inconsistent behavior can quickly erode your sense of self-worth. You may start doubting your own attractiveness and desirability.

3. Trust Issues:

Playing mind games and keeping secrets can cause significant trust issues in any relationship. The constant doubts and uncertainties can make it difficult for you to trust future partners and may sabotage your chances of finding a healthy, committed relationship.

4. Wasted Time and Energy:

The time and energy invested in a relationship with a dating diva often go to waste. As they juggle multiple partners, they rarely have the capacity for a deep, meaningful connection. Instead, you may find yourself caught in a never-ending cycle of disappointment and unfulfilled promises.

5. Difficulty Moving On:

Breaking free from the clutches of a dating diva can be incredibly challenging. Their charm and manipulation may have you hooked, making it difficult to let go even when you know it's the right thing to do. It takes time and self-reflection to heal from the emotional scars left by a dating diva.

In , the allure of a dating diva may be enticing at first, but it's essential to recognize the dangers associated with their behavior. Protect yourself by being aware of the signs and understanding the potential consequences. Don't let yourself become another casualty in their game of manipulation and deception. Remember, you deserve a healthy, loving relationship that is built on trust and mutual respect.

Two commitment-phobes desperate for revenge? Clearly dating each other is the only option.

An ex with a vengeance...

Two years ago, Rose Parson dumped Jax without a word of warning. The breakup was cruel and unusual, but he was just the first of Rose's victims. Ever since then, Lakeview High's lead actress had become famous offstage for leaving broken hearts in her wake.

When her latest conquest offers to pay Jax to make her fall for him so she can get a taste of her own medicine? Of course he says yes. What does he have to lose? It's not like the diva has a heart to break, and there's no way he could get hurt by her. Not again. Not in this lifetime. This time he knows better than to fall for an actress...right?

A diva with a plan...

Seriously? Jax thinks he can play her? Ha! Rose is onto him from the start. Jax might have game, but he doesn't know the first thing about acting. Does it sting that the guy who's bent on breaking her heart is the one who got away? Maybe just a little. But it's nothing a little payback can't solve. He wants to date? She'll give him the relationship of his dreams...right before ripping his heart out.

Of course, she has rules about that sort of thing. No dating for more than two weeks and never date the same guy twice. She has those rules for a reason, but maybe she can break them just this once to

teach the player a lesson. After all, everyone knows the best way to play a player is to beat him at his own game.

But pretending to fall for her first crush all over again? This will take the performance of a lifetime.

A sweet stand-alone high school romance. Check out all the books in The Dangers of Dating a Diva series for the full reading experience.
