Disneyland Fun Without a FASTPASS

Walt Disney believed that the best way to educate was through entertainment—or possibly a scavenger hunt. Learn the history of Disneyland, unlock its mysteries, become the resident Disney guru, as you track down trivia in the happiest place on earth.

Does a book need operating instructions? This one does. Don't read the book. If you do, it'll be the shortest book you've ever read. Use the book. Take it with you to Disneyland. Each of the 120+ trivia questions is its own quickie scavenger hunt. That's enough scavenger hunts for many trips to Disneyland. The fun is in the hunt!

Your quest will take you to every land in the park, aboard rides, in restaurants and shops, and all points in between. Just don't tell your friends. Next time you're in Disneyland with them, and casually mention the names of the two horses in the firehouse stable on Main Street, or the name of the book seen in a second-floor window of Peter Pan's Flight, they'll think you're a VIP Tour Guide.
