Who is Salvatore Bancheri?

Salvatore Bancheri, a renowned professional photographer with over two decades of experience, has dedicated his life to capturing the beauty of Okinawa. His passion for photography coupled with his deep understanding of the local culture and geography makes him the perfect guide for the ultimate Okinawa Photo Tour.

Salvatore's love affair with Okinawa started when he visited the island for the first time back in 1998. He was captivated by the stunning landscapes and the charming locals, which inspired him to delve deeper into the secrets of this exotic location. Since then, he has been exploring Okinawa extensively, unveiling its hidden wonders and capturing them through his lens.

What Makes the Okinawa Photo Tour So Special?

The Okinawa Photo Tour is a unique experience that allows photography enthusiasts to embark on a journey and explore the island's hidden gems guided by none other than Salvatore Bancheri himself. Not only does he provide valuable

insights into photography techniques and composition, but he also shares fascinating stories about the history and culture of Okinawa.

During the tour, participants get to witness breathtaking sunrises and sunsets over iconic locations like Cape Manzamo, capture the vibrant underwater world while snorkeling in the crystal-clear waters of the Keramas, and immerse themselves in the authentic island life of Okinawa by visiting traditional villages and meeting the local artisans.

Whether you are a professional photographer looking to expand your portfolio or simply a photography enthusiast eager to capture stunning images, the Okinawa Photo Tour caters to all skill levels. Salvatore ensures that each participant receives personal attention and guidance to enhance their photography skills, ensuring an unforgettable experience for everyone.

Discover the Enchanting Landscapes Unique to Okinawa

One of the highlights of the Okinawa Photo Tour is the opportunity to capture the enchanting landscapes that make this island so special. From secret secluded beaches teeming with colorful marine life to towering cliffs overlooking clear blue horizons, Okinawa offers a diverse range of stunning landscapes waiting to be photographed.

The pristine beaches of Okinawa are a haven for photographers, with their powdery white sands contrasting against the vibrant blue hues of the ocean. As the sun sets, the sky erupts into a spectacle of colors, providing the perfect backdrop for capturing those awe-inspiring sunset shots.

Another unique aspect of Okinawa's landscapes is its diverse flora and fauna. Explore the lush forests, filled with ancient trees and vibrant flowers, which provide a tranquil oasis for both nature lovers and photographers. From macro shots of delicate cherry blossoms to wide-angle shots of the dense forests, every corner of Okinawa is a photographer's playground.

Immerse Yourself in Okinawan Culture

The Okinawa Photo Tour is not just about capturing landscapes; it's a journey that allows you to immerse yourself in the rich cultural heritage of the island. Okinawa has a distinct culture with its own traditions, music, dance, and history.

Throughout the tour, Salvatore Bancheri ensures that participants have the opportunity to experience the vibrant culture firsthand. This includes attending traditional Ryukyuan music and dance performances, exploring historical sites such as Shuri Castle, and interacting with local artisans specializing in traditional crafts.

The connections forged with the locals during the tour provide a unique perspective and insight into the island's captivating history and traditional way of life. By immersing yourself in the local culture, you not only enrich your photography but also gain a deeper appreciation for Okinawa as a whole.

I lived in Okinawa for two years. While living in Okinawa I traveled often with my family, took lots of photographs and took up scuba diving. This book is intended to show the reader the beautiful landscapes, beaches, historic sites, and places I thought were interesting. This book is not intended to be an all encompassing guide but a general book of mainly photos. All the photographs in this book were taken by me while visiting places in Okinawa.
