This stunning futuristic love story from New York Times bestselling author Megan Miranda asks the question: How far would you go to escape the past?

Seventeen-year-old Alina Chase has spent her entire life imprisoned on a secluded island--not for a crime she committed in this lifetime, but one done by her past self. Her very soul is like a fingerprint, carried from one life to the next--and Alina is sick of being guilty.

Aided by three teens with their own ulterior motives, Alina manages to escape. Although she's not sure she can trust any of them, she soon finds herself drawn to Cameron, the most enigmatic and alluring of the trio. But when she uncovers clues from her past life, secrets begin to unravel and Alina must figure out whether she's more than the soul she inherited, or if she's fated to repeat history.
