

Things To Do When You Arrive In The Philippines Expat Answerman

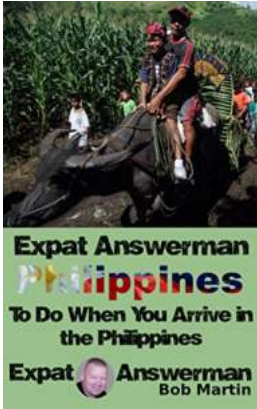

Becoming an expat in a new country can be both exciting and daunting. When arriving in the Philippines, it's important to make the most of your experience and take advantage of all the wonderful opportunities this beautiful country has to offer. In this article, the Philippines Expat Answerman will guide you through a list

of things to do when you first arrive, ensuring that your transition into Filipino culture is smooth and enjoyable.

1. Explore Manila's Historical Landmarks

Expat Answerman: Things to do when you arrive in the Philippines (Expat Answerman: Philippines Book 4) by Bob Martin (Kindle Edition)

Your journey begins in the capital city of Manila. Embrace the rich history of the Philippines by visiting iconic landmarks such as Intramuros and Rizal Park. Intramuros, also known as the walled city, offers a glimpse into the country's colonial past with its well-preserved Spanish architecture and cobblestone streets. Rizal Park commemorates the national hero, Dr. Jose Rizal, and is a popular spot for locals and tourists alike.

2. Indulge in Filipino Cuisine

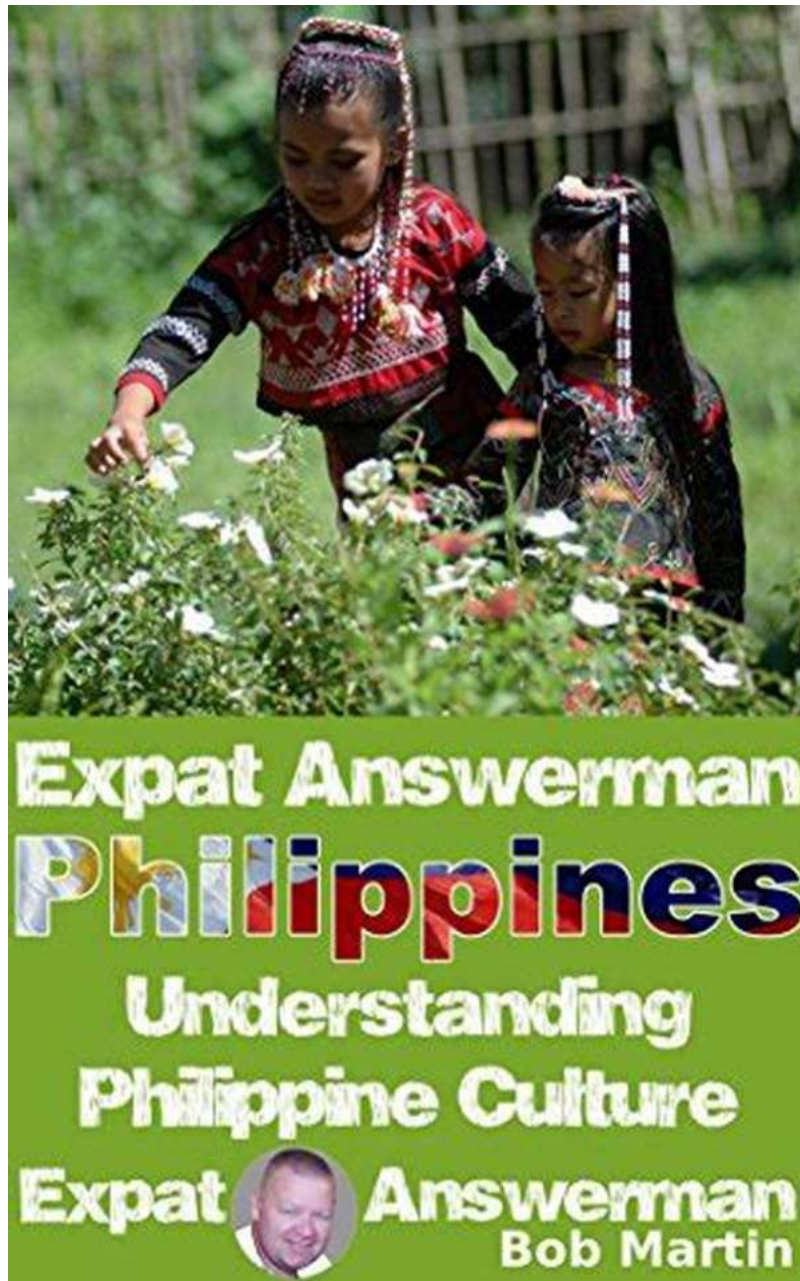

One of the best ways to immerse yourself in a new culture is through its food. Filipino cuisine is a fusion of flavors influenced by Spanish, Chinese, and Malay cooking traditions. Don't miss the opportunity to try iconic dishes such as adobo (marinated meat), sinigang (sour soup), and lechon (roast pig). Visiting local markets and street food stalls will give you a taste of the true Filipino gastronomic experience.

3. Relax on Beautiful Beaches

The Philippines is known for its stunning beaches and crystal-clear waters. Take some time to unwind and enjoy the tropical paradise by visiting popular beach destinations such as Boracay, El Nido, or Panglao. Whether you prefer snorkeling, diving, or simply lounging on the white sandy shores, you'll be spoiled for choice in this archipelago of more than 7,000 islands.

4. Experience the Cultural Festivals

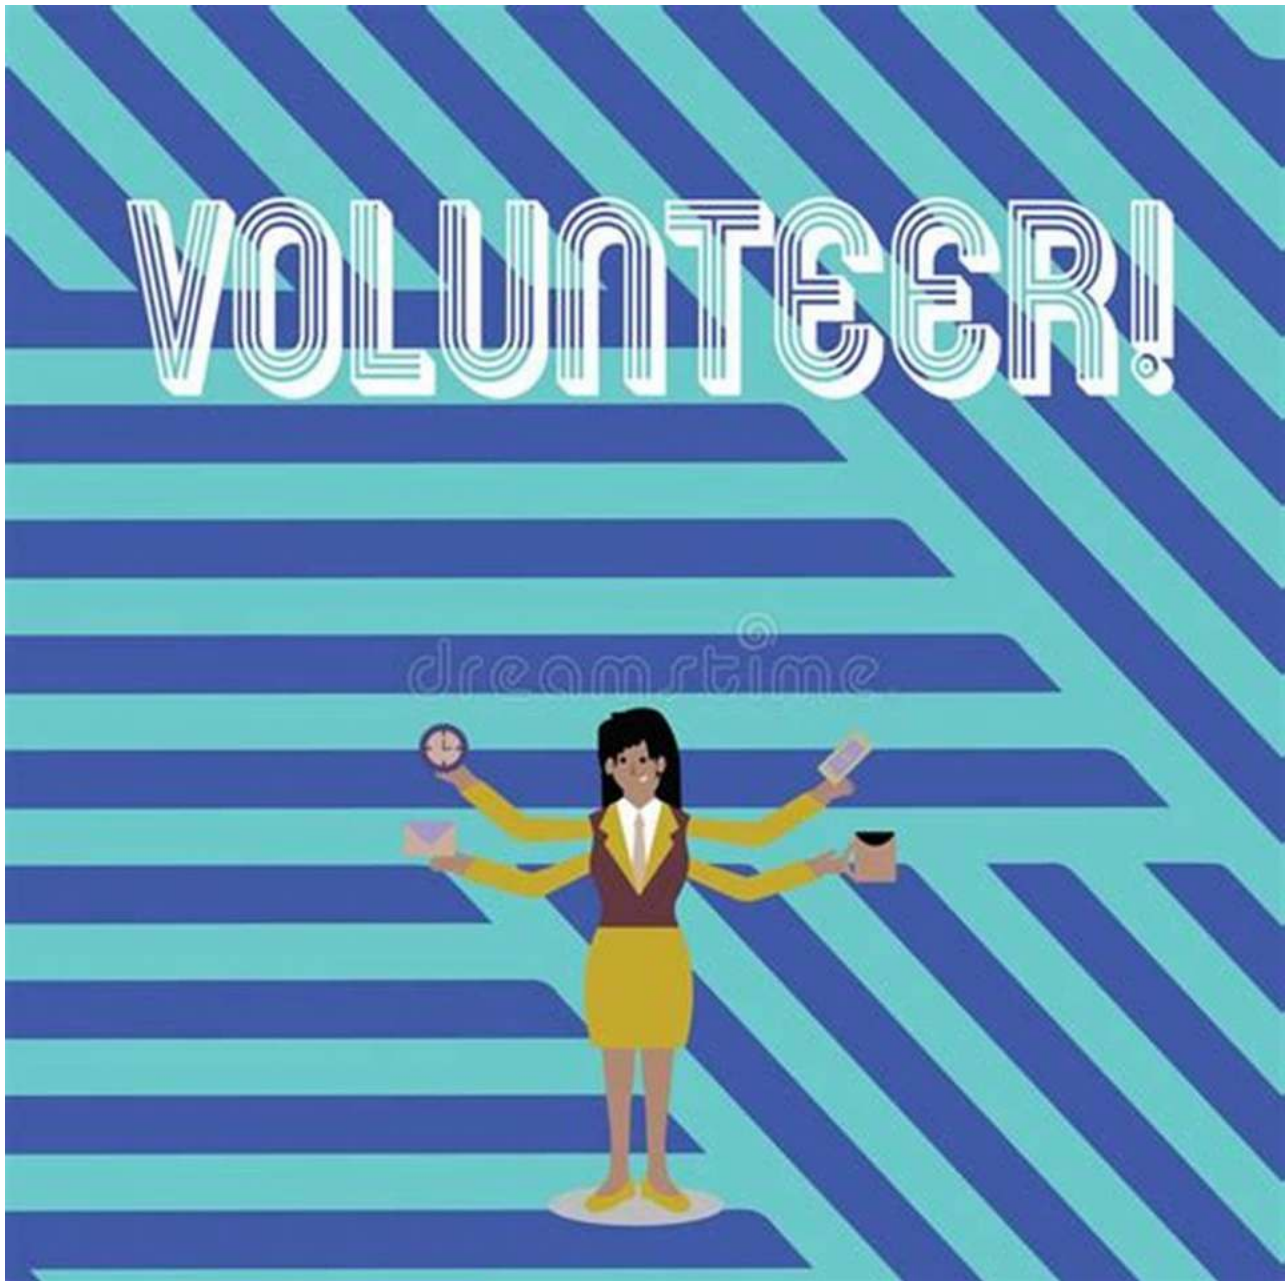

The Philippines is renowned for its vibrant and colorful festivals. From the Sinulog in Cebu to the Ati-Atihan in Aklan, these celebrations showcase the rich cultural heritage of different regions. Witness the lively parades, traditional dances, and spectacular costumes as you join the locals in celebrating their customs and traditions.

5. Visit UNESCO World Heritage Sites

For history and architecture enthusiasts, the Philippines is home to several UNESCO World Heritage Sites. Explore the magnificent rice terraces of Banaue, known as the "Eighth Wonder of the World," or marvel at the Baroque churches found in Paoay and Miagao. These sites provide a window into the country's rich cultural and historical past.

6. Volunteer for a Social Cause

Engaging with the local community can be a rewarding experience during your stay in the Philippines. Consider volunteering for a social cause, such as teaching English in underserved areas or participating in environmental conservation projects. Not only will you make a difference in people's lives, but you'll also gain a deeper understanding of the Filipino society and its challenges.

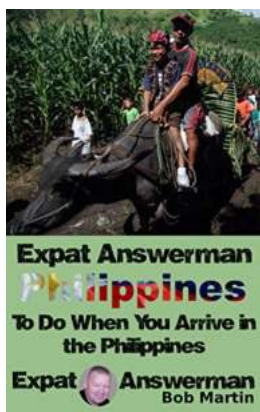

7. Explore Hidden Gems

The Philippines is filled with undiscovered treasures waiting to be explored. Venture off the beaten path and discover hidden gems like the Chocolate Hills in Bohol, the Underground River in Palawan, or the enchanting Hinatuan Enchanted River in Surigao del Sur. These lesser-known destinations offer a unique and memorable experience away from the crowds.

As you start your journey as an expat in the Philippines, there are endless opportunities to make the most of your time in this beautiful country. From immersing yourself in the rich history and culture to indulging in delicious cuisine and exploring the breathtaking natural wonders, the Philippines Expat Answerman suggests a variety of activities to ensure an unforgettable experience. Embark on this new chapter with an open mind and a sense of

adventure, and you'll soon find yourself falling in love with the warmth and charm of the Filipino people and their homeland.

Moving to the Philippines? When you hop on that airplane and take that long flight to the Philippines, well, your journey is just starting! When you arrive in the Philippines there is still plenty to do! And, probably this is when the most important part of the journey is getting started, because you are in your new location, setting up a new life. It is your time to set up your new life properly and make it where you will enjoy the journey each and every step of the way!

This book is written by Bob Martin, a long time expat who has lived in multiple countries! Bob is an American who has lived two years in South Africa, and now lives permanently in the Philippines. Bob moved to the Philippines at the young age of 38, back in 2000, and he has been loving his life ever since! Many people are unsuccessful in making an international move, but Bob succeeded and is

here to help you succeed as well! You can do it, and Bob will do all he can to guarantee your success and a happy life for you in the Philippines.

In this book, you can expect coverage of these topics:

Banking in the Philippines

Internet in the Philippines (how to get great Internet in the Philippines, when many people can't do it!)

Getting Foreign Foods without spending an arm and a leg

How to move your money to the Philippines

Health Insurance Coverage in the Philippines

Can you a job in the Philippines?

Learning the language to improve your life

Expats in the Philippines - how to meet them

Becoming a Citizen in the Philippines

What can a foreigner own in the Philippines?

Each and every one of these topics covers important information that you will need to know when you move to your new country and settle in. Bob wants to help you achieve happiness in your new land! It is not always easy to accomplish that, but with a little help, you can make it a lot easier to do!
