"This Is Not A Love Scene rings brilliantly true from the first page to the last." — David Baldacci, #1 New York Times bestselling author

Funny, emotional, and refreshingly honest, S.C. Megale's *This is Not a Love Scene* is for anyone who can relate to feeling different while navigating the terrifying and thrilling waters of first love.

Lights, camera—all Maeve needs is action. But at eighteen, a rare form of muscular dystrophy usually stands in the way of romance. She's got her friends, her humor, and a passion for filmmaking to keep her focus off consistent rejection...and the hot older guy starring in her senior film project.

Tall, bearded, and always swaying, Cole Stone is everything Maeve can't be. And she likes it. Between takes, their chemistry is shockingly electric.

Suddenly, Maeve gets a taste of typical teenage dating life, but girls in wheelchairs don't get the hot guy—right? Cole's attention challenges everything she once believed about her self-image and hopes for love. But figuring this out, both emotionally and physically, won't be easy for either of them. Maeve must choose between what she needs and what she wants, while Cole has a tendency to avoid decisions altogether. And the future might not wait for either.
