Here is a Tourist Guide that you will not find anywhere else. It is a real map of small villages, towns and places most tourist don't both with and are missed. I have added one or two of the largers cities as they should be on anyone's tourist map but the rest, well, is you haven't lived in Germany you wouldn't have had the opportunity to see these picture perfect town and attractions. I began this trip in 1983 and now put it to paper for others to travel. Lucky for me, most of this was done by train, I am not sure if that is still possible due to so many rail closing stations.
