

Unremembered: An Unforgettable Journey by Jessica Brody - A Captivating Tale of Mystery and Romance

Have you ever wondered what it would be like to have your memory wiped completely clean? To wake up one day with no recollection of who you are, where you come from, or the people you love? This is the intriguing premise at the heart of Jessica Brody's captivating novel, *Unremembered*. With its blend of mystery, romance, and science fiction, this unforgettable story will keep you on the edge of your seat and make you question the true nature of identity.

Unremembered follows the life of Seraphina, a sixteen-year-old girl who miraculously survives a deadly plane crash. Rescued from the wreckage with no memories of her past, Seraphina is given a second chance at life. As she tries to piece together the fragments of her lost memories, she discovers that there is more to her survival than meets the eye.

Throughout the book, Brody masterfully weaves together elements of mystery and romance, creating a story that will leave you guessing until the very end. As Seraphina uncovers shocking truths about her past and her true identity, she also finds herself drawn to a mysterious boy named Zen. Their forbidden love adds an element of passion and intensity to the narrative, making it impossible to put down.

One of the standout features of *Unremembered* is Brody's vivid and detailed storytelling. From the first page, readers are transported into Seraphina's world, experiencing everything she sees, feels, and remembers (or doesn't remember). Brody's attention to detail and her ability to create a strong sense of atmosphere make the story come alive in the reader's mind.

Another strength of the novel is its well-developed characters. Seraphina is a relatable protagonist, grappling with her lost memories and trying to find her place in a world she doesn't fully understand. Her journey of self-discovery is both emotional and thought-provoking, as she questions the nature of identity and what truly makes us who we are.

As the story unfolds, the reader is taken on a thrilling ride filled with twists and turns. Brody expertly builds suspense, keeping readers engaged and eagerly turning the pages to uncover the truth behind Seraphina's mysterious past. The plot is intricately crafted, with each revelation taking the story in unexpected directions.

When Freedom Airlines flight 121 went down over the Pacific Ocean, no one ever expected to find survivors. Which is why the sixteen-year-old girl discovered floating among the wreckage—alive—is making headlines across the globe.

Even more strange is that her body is miraculously unharmed and she has no memories of boarding the plane. She has no memories of her life before the crash. She has no memories period. No one knows how she survived. No one knows why she wasn't on the passenger manifest. And no one can explain why her DNA and fingerprints can't be found in a single database in the world.

Crippled by a world she doesn't know, plagued by abilities she doesn't understand, and haunted by a looming threat she can't remember, Seraphina struggles to piece together her forgotten past and discover who she really is. But with every clue only comes more questions. And she's running out of time to answer them.

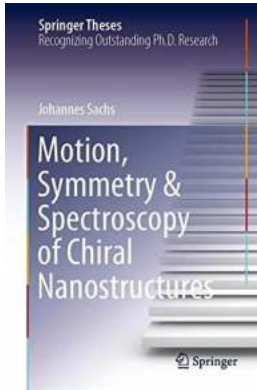

Her only hope is a strangely alluring boy who claims to know her from before the crash. Who claims they were in love. But can she really trust him? And will he be able to protect her from the people who have been making her forget?

From popular young adult author Jessica Brody, *Unremembered* is the start of a compelling and suspenseful new sci-fi series, set in a world where science knows no boundaries, memories are manipulated, and true love can never be forgotten.
