Unlike generic racing guides, the McBride Racing Tactical Playbook Pre Release Edition goes beyond basic advice to provide intricate details and techniques practiced by professional racers themselves. From daring overtakes to sharp

turns, every aspect of racing is dissected and explained to help you optimize your performance on the track.

## **A Comprehensive Resource Tailored for Success**

Spanning over 3000 words, the Tactical Playbook Pre Release Edition is a comprehensive resource that leaves no stone unturned. Dive deep into the world of racing with engaging chapters covering topics such as:

- **Mastering the art of acceleration:** Discover the secrets behind achieving lightning-fast speeds without compromising control.
- **Conquering corners like a pro:** Learn the techniques employed by elite racers to navigate sharp turns with precision and maintain optimal speed.
- **Perfecting overtaking maneuvers:** Unleash your inner racer and acquire the skills to overtake opponents effectively and establish yourself as the dominant force on the track.
- **Strategic pit stops:** Maximize the potential for success by mastering the art of pit stops, ensuring minimal time loss and maintaining a competitive position throughout the race.
- **Developing mental resilience:** Understand the importance of mental focus and learn how to cultivate a winning mindset, enabling you to overcome challenges and outperform your opponents.

## **Unlock Bonus Features and Special Add-ons**

In addition to the invaluable insights provided within the playbook itself, the McBride Racing Tactical Playbook Pre Release Edition offers exclusive bonus features and special add-ons, further enriching your learning experience. These include:

- Video tutorials: Visualize the intricate techniques described in the playbook through detailed video tutorials led by professional racers.
- Q&A sessions: Gain exclusive access to live Q&A sessions with McBride Racing's top experts, allowing you to ask burning questions and receive personalized advice.
- Interactive forums: Connect with fellow racers, share experiences, and participate in lively discussions on a dedicated online forum.

Sportboats, skiff racing, and high performance sailing in general is exploding worldwide, and if you're looking to make the jump, it's time to update your tactical library! The McBride Racing Tactical Playbook is a simple to understand, hierarchical approach to tactics and strategy in high performance racing. While other sailing books provide a vast expanse of strategic knowledge, the goal of this book is to provide a framework for all other strategic ideas to fit into, in order to help tacticians execute high percentage strategies more often. Willie McBride has been a professional sailor, professional Olympic coach, and Olympic campaigner since graduating from University in 2012, and breaks the tactical game into easy to analyze scenarios that can be applied on any boat.

#### NOTES ON PRE-RELEASE VERSION:

The pre-release version of the playbook includes most of the text and diagrams that will be included in the final version for a fraction of the price. All proceeds from the pre-release version of the playbook will go towards professional editing, illustrations, and interactive tool creating which will accompany the final version.
