Who doesn't love a kiss in the dark?

I was shy. I could never believe a guy like Walker Thomas would ever like me.

So when he started paying attention to me while our families were on vacation together, I chalked it up to proximity.

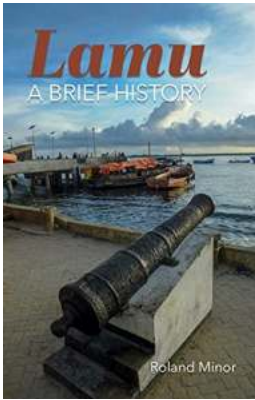

When a game of hide and seek with our siblings led to a kiss in the dark, I wondered if maybe I was wrong.

For Walker, finding dates was easy. But a girlfriend who appreciated him for more than his good looks and athletic prowess? That was rare. Until he met Blythe again and he realized he might have found what he's been looking for.

But what will happen when summer is over and school starts in the fall?

Can what started on the beach survive Blythe's insecurities and Walker's popularity?
